

Southeast Missouri State University

Rho Lambda – Gamma Gamma

Application for Membership

Rho Lambda was founded in 1962 on the campus of the University of Miami to serve as a counterpart to The Order of Omega, which at the time was only open to fraternity members. In 1974, Rho Lambda received permission to become a National Panhellenic Recognition Honor Society. The purpose of Rho Lambda is to honor those women within the sorority community who have exhibited the highest qualities of leadership and service to their Fraternity and Sorority community. These women have furthered the ideals and principles of their sorority and the community throughout their years of sorority affiliation.

The Southeast Missouri State University Gamma Gamma chapter of Rho Lambda is looking to recolonize and is recruiting new members to uphold the tradition of excellence and service. The maximum number of members to be elected in any year is 10% of the total Panhellenic membership which is 87 women for Fall 2018.
