Students should have at least one year of choral experience or solo study prior to attending. Basic music reading skills are necessary for participation.

Spending a fun week improving your vocal performance skills through private lessons, master classes and small groups. Students in grades 7-12 will work on:

- Vocal Technique
- Sight Reading
- Artistic Expression
- Singer’s Diction
- Audition Techniques
- Interpretation

Training focus will be standard vocal technique for high school choral and solo contests; however, other styles such as Broadway, jazz and folk may also be included.
