Mission and Purpose
W.I.N.G.S serves Southeast students with safe and convenient transportation to popular places in Cape Girardeau, like movie theatres, business areas and social establishments in Cape.

The program, inspired by a joint effort between Student Government, GAMMA, RHA and the University, provides alternative transportation for students who do not have personal transportation or who do not drive.

Why W.I.N.G.S
- Southeast students contribute over $51 million to the Cape Girardeau economy during the academic year. (Harrison School of Business study, 2003)
- More than 800 Southeast Students, living in residence halls, did not bring a car to campus and relied on other means of transportation. (DPS Fall 2005)
- 48% - Missouri college students who admitted to driving while under the influence of alcohol. (Core, 2003)
