IV. Student Learning Outcomes

1. Students will learn practical application of core counseling skills through direct client contact. This outcome will be measured by the Comprehensive Professional Counseling Portfolio (CPCP).

2. Students will learn the process of giving and receiving feedback on clinical skill through means of supervision in a group format. This outcome will be measured by the Comprehensive Professional Counseling Portfolio (CPCP).

3. Students will learn how to self critique effectiveness of the application of counseling skills through individual supervision with university and site supervisor. This outcome will be measured by the Comprehensive Professional Counseling Portfolio (CPCP).

V. Course as Relates to External Requirements
VI. Course as Relates to External Standards

**CACREP Standards (2009)**

E. Students must complete supervised practicum experiences that total a minimum of 100 clock hours over the minimum of an academic term. The student’s practicum includes all of the following:

1. 40 clock hours of direct service that leads to the development of counseling skills;
2. Weekly interaction with an average of one (1) hour per week of individual and/or triadic supervision throughout the practicum by a program faculty member, a student supervisor, or a site supervisor working in bi-weekly consultation with a program faculty member;
3. An average of one and one half (1 1/2) hours per week of group supervision that is provided on a regular schedule throughout the practicum by a program faculty member or a student supervisor;
4. The opportunity for the student to develop program-appropriate audio/video recordings for use in supervision, and/or to receive live supervision of the student’s interactions with clients; and
5. Evaluation of the student’s counseling performance throughout the practicum including documentation of a formal evaluation after the student completes the practicum.

**DESE Standards (2008)**

VII. Purposes or Objectives of the Course:

A. The student will complete a minimum workload of 10 clock hours per week on site totaling 150 clock hours in one full semester.
B. The student will demonstrate completion of 40 hours of direct service in a clinical mental health, school, or career counseling setting.
C. The student will engage in one hour per week of individual or triadic supervision and an average of two hours of supervision per week in group supervision with a program faculty member.
D. The student will apply counseling skills and methods learned in previous or concurrent coursework.
E. The student will produce their integration of theory into practice.
F. The student will be able to explain various aspects of professional conduct and ethical standards as they apply to practice.
G. The student will gain experience working with a variety of clients and presenting problems.
H. The student will begin to formulate and articulate a personal approach to counseling.
I. The student will learn to integrate evaluative feedback to improve their counseling skills.

J. The student will demonstrate their knowledge of research areas of professional interest to improve service to clientele.

Each instructor will include assignment information and grading procedure in this section in the specific course syllabus handed out at the beginning of each semester.

XII. Methods of instruction

A combination of:
Classroom lectures and discussions
Classroom experiential exercises
Web-assisted instructions and tests/exams

XIII. Academic Policy Statement:
Academic honesty is one of the most important qualities influencing the character and vitality of Southeast Missouri State University. Academic dishonesty is defined to include those acts which would deceive, cheat, or defraud so as to promote or enhance one's scholastic record. It includes: academic misconduct, dishonesty, plagiarism and cheating or knowingly or actively assisting another person in doing the same. Violations of academic honesty represent a serious breach of discipline and may be considered grounds for disciplinary action, including dismissal from the University. Students are responsible for upholding the principles of academic honesty as they would any other professional and ethical standard. Refer to: http://www.semo.edu/judaffairs/code.html

Note: Faculty may add specific sanctions regarding academic dishonesty within the parameters outlined in the University Policy for Academic Honesty.

XIV. Students with Disabilities Statement:
If a student has a special need addressed by the Americans with Disabilities Act (ADA) please notify the instructor at the beginning of the course. You must register as a student with a disability in the office of Learning Assistance Programs and Disability Support Services in University Center Room 302 or at 651-2273. It is the responsibility of the student to notify the instructor prior to requesting reasonable accommodation. Failure to do this may result in not receiving the requested accommodation. Refer to:
http://www.semo.edu/cs/services/disability.htm

XV. Civility, Respect and Classroom Etiquette:
The University strives to offer learning experiences and opportunities designed to help students think effectively, develop the capacity to communicate, differentiate values, and make relevant judgments. To do this successfully, many times multiple perspectives will be presented; some of which may represent points of view on which everyone will not agree. A successful educational experience requires a shared sense of respect among and between the students, the instructor and various points of view.

Further, it is to be expected that the instructor will treat all students with dignity and respect – it is also expected that the students will treat both the instructor and other students with this same respect. In order to facilitate this process more effectively, students are asked the following: 1) before class turn off all pager and cell phones; 2) refrain from text messaging during class; 3) avoid distracting behavior (e.g. popping gum, noisy eating, clipping fingernails); 4) minimize side conversations; and, 5) maintain respectful interactions. Finally, personal harassment of any kind will not be tolerated.

XVI. Counselor Dispositions
Counselor Dispositions, as assessed within Counselor Education are guided by the central core of the Counseling Conceptual Framework. The beliefs and attitudes related to the areas of competence, reflection and caring, are the guiding influence with the eight
foundational counselor dispositions assessed throughout the program. These are: 1) Genuineness, 2) Congruence, 3) Non-judgmental Respect, 4) Emotional Awareness, 5) Ethical Understanding, 6) Concreteness, 7) Empathy, and 8) Professional Commitment. See Student Handbook.

XVII. Knowledge Base References:

An online Knowledge Base is maintained on the Program website. See http://www4.semo.edu/counsel/Program/know-base.htm

XVIII. Course Schedule

Note: Course Schedule will be added each semester by the instructor.

Questions, comments or requests regarding this course or program should be taken to your instructor. Unanswered questions or unresolved issues involving this class may be taken to Dr. Ruth Ann Roberts, Interim Chair, Department of Educational Leadership and Counseling.
