

Amendments for Class Attendance Bills

In the policy bill, redline version:

Change "Affairs" in line 36 to "Services"

In the procedures bill, redline version:

Replace lines 24-27 with the following, to make it consistent with current Registrar language:

"A student who ~~is absent from~~ **does not attend** class during the first week of a course, ~~or has not logged into an online course,~~ may be removed from the course through the **online instructor initiated drop** attendance verification process. ~~, unless notification by the student is provided to the course instructor by the end of the first week.~~ Attendance is defined as:

1. Physical attendance in a face-to-face course.
2. Completing an online assignment, forum, or quiz in an online course.
3. Making course-related contact with the instructor of record during the attendance review time period."

In line 30, add a period after "8-week course"

In line 35, change "Student" to "Students"
