General Details for All Awards

- Students receive the highest award for which they qualify. Awards are adjusted as new, official test scores or transcripts are received.
- Scholarship recipients must be enrolled full-time (minimum 12 hours per semester) to receive payment for the awarded scholarship.
 - Note: An exception can be made if a student is in their final semester, their graduation application is approved, and they have not received the scholarship for the maximum number of renewal semesters.*
- The total amount of aid received from federal, state, institutional and other sources may not exceed the University established cost of attendance. Therefore, awarded scholarship amounts may be subject to reduction.
- Scholarships are available to students who attend secondary or postsecondary schools accredited by a recognized agency such as the state departments of education or North Central Association.

5. Academic & participation scholarships are available to U.S. citizens, permanent residents, and active student visa holders. Other students may still qualify for endowed scholarships each year.
6. All scholarship deadlines referenced are based on the month & day of the year immediately preceding the scholarship award year.
7. Incoming students who have earned less than 24 credit hours of college credit (excluding dual credit/early college credit) are only eligible for freshmen awards, while those who have earned 24 or more credit hours are only eligible for transfer awards.  - *Note: Scholarships may be revised after an initial award if the number of completed hours differs from the scholarship criteria, during a student's first semester at Southeast.*

Students may be changed to/from a regional campus or Cape campus value each semester, based on enrollment.

¹Minimum Hour Requirement – Students must earn the required number of hours during the scholarship year for the award to renew for an additional year. All hours must be taken through Southeast and summer hours are permitted toward renewal criteria.

²GPA Requirement – Southeast cumulative grade point averages are evaluated at the end of the scholarship year and will include Southeast summer hours (if applicable). Transfer and dual credit coursework are not included for renewal.

Additional Renewal Details:

1. Students who do not renew their scholarship for the upcoming scholarship year may request reinstatement of the scholarship after they have attended Southeast for one full year without the scholarship, to include fall, spring, (and summer, if needed). Students are required to complete the same number of credit hours and achieve the same Southeast cumulative GPA that was stated in the scholarship's renewal criteria when first awarded.
2. Transfer scholarship reinstatement is not available for students who do not meet the renewal criteria.
3. All scholarships are renewable each year through the renewal period (shown above), until completion of course work for a bachelor's degree, or completion of 128 credit hours, whichever occurs first, providing students meet the hour and GPA requirements. Returning students (i.e. students who attend Southeast, leave to attend another institution, and return to Southeast) are no longer eligible for scholarship renewal as they are no longer within the renewal period of 4 consecutive academic years.
4. Copper Dome & President's scholarships that are not renewed and are later reinstated for a future year are reinstated at the value of the missed year. Progressive increases are based on the number of years the scholarship was awarded, not the student's year at Southeast.

Example:

	Year 1	Year 2	Year 3	Year 4
Original	\$1,000	\$1,100	\$1,200	\$1,300
Adjusted	\$1,000	\$0 (<i>Missed Renewal</i>)	\$1,100 (<i>Reinstated</i>)	\$1,200

5. Residence Life Leadership Awards are only renewed when living in an on-campus residence hall and meeting all other renewal criteria above.
6. Will to Do Awards are only renewed if FAFSA deadlines and Pell eligibility are met for subsequent years.
