Middle School Education - Science SOUTHEAST MISSOURI STATE UNIVERSITY 1873

Bachelor of Science in Education (BSED)

The College of Education creates a supportive climate to help all pre-education majors meet the rigor of teacher education. Students have the

The Standard of Excellence in Teacher Preparation

opportunity to participate in Tomorrow's Teachers Learning Community which links cohort learning and living opportunities. Students also receive support in preparation for the entrance exam required for admission. We currently offer 27 undergraduate licensure programs and options for advanced licensure, as well. Students say the learning community and cohort structure of our programs encourage a strong bond with peers and increased success across the program.

Middle School Education - Science students will...

- Participate in multiple field experiences in local classrooms.
- Integrate technology into the curriculum with our one-to-one instructional model.
- Have the opportunity for student teaching abroad, including our partnership with Eagles College in Iquique, Chile.
- Opportunities for leadership in our numerous student organizations.
- Have full-time faculty with experience in the classroom as their primary instructors.
- · Enjoy the benefit of national accreditation of our programs.

Career Planning

Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study-abroad program, clinical opportunity, student teaching or research internship.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students				
CL001	First Semester	Students connect academic career planning by completing an online career assessment		
CL002	Second Semester	Students learn more about resources available to enhance academic and career planning		
CL003	Junior Year	Students learn about continued career planning, job search strategies, and networking		
CL004	Senior Year	Students learn about resume development, professional communication, interviewing, and transitioning to the first job from college		

Education Outlook

- Students secure teaching positions across the state of Missouri.
- High needs areas of teacher licensure include: math, science, special education, foreign language, English language learners.
- Placement rates are high for alumni.
- First year teachers report feeling well prepared by Southeast Missouri State University on our annual survey of first-year teachers.

EDvolution

All students in the College of Education must rent or purchase an iPad for use during the program.

- Tech for You: become a better student with technology
- Tech for Us: learn how to teach with technology
- Tech for Them: use technology in your field experiences

Admission Requirements

- 42 course hours completed
- 2.75 cumulative GPA
- Missouri Educator Profile (MEP) results on file with the Office of the Associate Dean of the College of Education
- Score of 220 or higher on all sections of the Missouri General Education Assessment (MoGEA)
- The following course requirements met
 - A grade of C or above in PY222 Development of the Adolescent
 - A grade of B or above in ED280 Introduction to Education as a Profession

Additional Information

The state of Missouri has high expectations for future educators. Students matriculating into education programs must meet the following standards to be recommended for licensure following degree completion.

Students graduating spring 2017 or later must maintain a 3.0 GPA in both content and pedagogy courses. In addition students must pass the Missouri Content Assessment Exam and the Missouri Pre-Service Teacher Assessment for recommendation for licensure. Students must also fulfill other assessments such as the Missouri Educator Profile and be cleared through a FBI background check.

Special Options with Middle School Education

This program of study is also available at the Regional Campuses (Kennett, Malden, and Sikeston) and the Poplar Bluff Delivery Site.

Middle School Education - Science SOUTHEAST MISSON STATE UNIVERSITY - 1873

Bachelor of Science in Education (BSED)

This is a guide based on the 2017-2018 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use DegreeWorks to monitor their individual progress.

CURRICULUM CHECKLIST

"Critical Courses" are italicized and bold. Data shows that students who have completed this course in the first two years and have earned the noted grade are most likely to complete this program of study.

Professional Education Courses

A grade of 'C' or better is required in education courses, with the exception of ED280 which requires a grade of 'B' or better.

- ED280 Introduction to Teaching (3)
 - EF400 Student Teaching Seminar (1)
 EX390 Psychology and Education of the Exceptional Child (3)
 PY222 Development of the Adolescent (3)
- Content Literacy Methods for Middle and High School (3) SE307
- SE320 Techniques of Teaching Science (3)
- Pedagogy 1: Principles of Effective Teaching (3)* Field II (3) SE350
- SE355
- Pedagogy 2: Interdisciplinary Methods for Middle School (3)
- SE380 Advanced Field (3)
- SE385 Pedagogy 3: Advanced Methods of Middle and Secondary Teaching (3)
- SE390 Instructional Interventions for Middle and Secondary Students with Special Literacy Needs (3)
- SE465 Student Teaching (12)
- UI506 Education, Law, and Society (3)

*Middle School students must be admitted to the College of Education prior to enrolling in SE350.

Science Content Courses - 25 Hours Required

A grade of 'C' or better is required in content courses.

- BI/CH/EP405 Engineering in Science Education (1)
- BS105 Environmental Biology (3)
- BS118 Introduction to Process Science for the Elementary Teachers (1)
 BS218 Biological Science: A Process Approach (3)
- CH181 Basic Principles of Chemistry (5)
- PH106 Physical Concepts (3)
- PH109 Exploring the Universe (3)
 PH218 Physical Science: A Process Approach (3)
 - UI318 Earth Science: A Process Approach (3)

University Studies Requirements (not already listed above):

UI100 First Year Seminar, EN100 English Composition, Artistic Expression, Written Expression, Oral Expression, Literary Expression, Logical Systems, Development of a Major Civilization, Economic Systems, Political Systems, Social Systems
