

Music Education – Instrumental

Bachelor of Music Education (BME)

Music Education

Students pursuing the Bachelor of Music Education Degree with an emphasis in instrumental music education will encounter a generous curriculum that exposes them to an in-depth study of the pedagogy, techniques and literature of their applied instrument, as well as a broad range of brass, percussion, string and wind instruments, in addition to music theory and music history. They will also receive generous exposure to the General Education program and the liberal arts, as well as significant preparation in the development of skills in the art of teaching, and field-based experiential learning, with the goal of becoming leaders and highly effective professionals who possess a passion for life-long learning.

Becoming Career Ready...

/ Students interact with performing artists and educators who are recognized nationally and internationally.

/ Music Education students participate in multiple field experiences in local classrooms in order to become experienced, well-versed and confident educators.

/ Bachelor of Music Education graduates work in education, business, and arts industries. Examples of job titles include teacher, professor, program coordinator, director, chair and dean

/ Students in the major attend classes and lessons on the beautiful River Campus in modern performance facilities.

/ Music majors participate in a wide range of vocal ensembles and Opera Workshop.

/ Music Education students study in a program that is accredited by the National Association of Schools of Music.

/ 100% of Southeast programs offer a real-world experience. BME students gain this through field experience training in the public schools. Students may also teach through the Southeast Music Academy.

/ The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests and skills in the arts to jobs and opportunities in the industry. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities and more.

Admission Requirements

Students who wish to declare music as their major must meet admission requirements of the university and the department. A performance audition before applied music faculty of the appropriate area is required. Acceptance in a music degree program is contingent upon the demonstration of a basic level of competency in a performance medium, the ability to read musical notation, the ability to hear and reproduce pitches, the recommendation of a music professional, and the approval of the music faculty. Specific audition and admission requirements may be obtained at:

<http://www.semo.edu/music/admissions/auditions.htm>

- 42 credit hours completed
- One of the following: 1) Composite/Superscore of 20 or higher on the ACT exam; 2) Passing scores on all sections of the Missouri General Education Assessment (MoGEA); or 3) A 4-year degree from an accredited college/university
- The following course requirements met:
 - A grade of C or above in CF/PY120 The Child (Elementary, Early, and Exceptional) or PY222 Development of the Adolescent (5-9, 9-12, and PK-12)
 - A grade of B or above in ED280 Introduction to Education as a Profession or ME222 Principles of Teaching Music.

NOTE: This program meets the educational requirements for professional licensure and/or certification in Missouri. Please consult our State Authorization webpage, to determine information specific to your state:
