

Psychology (online)

Bachelor of Arts (BA)

Psychology (Online)

Psychology is the scientific study of all aspects of human behavior and mental processes. This major provides a general background in basic processes (learning and memory), cognitive processes, social psychology, developmental psychology, clinical/personality psychology, and statistics and research design. Students are prepared for a variety of careers in social services, human resources and business areas.

Becoming Career Ready...

/ Qualified, award winning faculty interact with students in a small online class environment.

/ Psychology graduates work in a wide variety of professional settings including business, education, counseling and health promotion, as well as conservation and community development roles. Examples of job titles include employment counselor, caseworker, substance abuse counselor, human resources advisor, correctional treatment specialist, and many more jobs in the public and private sectors.

/ The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests, and skills to jobs and opportunities in the field. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search

About Our Online Programs

At Southeast, if a program is designated as an online degree that means you can complete your degree from anywhere, without ever having to come to one of our campuses. As a student in an online class, your faculty will be the same faculty who teach in our campus classrooms. Advising for online programs and other support services are all completed online by staff that specializes in serving distance students.

Online Minor Options for Psychology

The BA Psychology program requires a minor. Options for fully online minors include:

- / Child Development
- / Criminal Justice

Total			9

Personalized Pathways:

At Southeast, we offer online courses in a traditional 16-week fall and spring semester with eight-week sessions in the first and last half of both. In addition, we offer a wintersession between fall and spring and at least six different 4, 6, and 8 week sessions over summer. Talk with an advisor to see how you can utilize these different sessions to expedite your degree completion.

Degree requirements for all students: a minimum of 120 credit hours; completion of/transfer credit for General Education program courses; residency at Southeast - at least 30 hours from Southeast; 39 senior division hours required: current residency at Southeast - 12 of your final 18 hours must be taken with Southeast. Refer to the Undergraduate Bulletin or Degree Works for additional graduation requirements.
