

Bachelor of Science in Education (BSED)

Agricultural Education

Choosing a degree in agricultural education leads to a variety of promising and fulfilling careers within agriculture. Individuals

holding a degree in agricultural education are well qualified and in high demand throughout the agricultural sector. Career opportunities that are consistently available to graduates exist in a multitude of areas including secondary (High School) education, corporate training, management, sales, public relations, and governmental representatives. By becoming a part of Agricultural Education, you will be entering a field of endeavor that will build and maintain a quality lifestyle among a network of agricultural educators who share your passion!

Your Home Department...

/ The Agriculture Department has a high number of scholarships, last year awarding more than \$650,000 to students.

/ Faculty sponsor nine Agriculture clubs to help students develop leadership skills and serve the community.

/ All Agriculture Department facilities employ eager students to expand experiential learning and facilitate career readiness.

Becoming Career Ready...

/ Faculty-mentored guidance will help you develop the professional skills needed to become a successful teacher and/or advanced study in graduate and professional programs.

/ B.S. in Agriculture Education graduates work in a multitude of areas including secondary (high school) education, corporate training, management and sales. Examples of job titles include high school agriculture education teacher and college agriculture instructor.

/ 100% of Southeast programs offer real-world experience. B.S. Ed. in Agriculture Education students earn this experience through student teaching and through valuable hands-on experience within required labs that accompany the agriculture coursework. Students are also able to gain valuable hands-on experience in the classroom and at the departmental facilities.

/ Agricultural education students currently enjoy a 100% placement rate in either secondary agricultural education programs throughout the region or in solid careers within the agribusiness sector.

/ The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests and skills to jobs and opportunities in the field. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities and more.

Transfer and Dual Credit Students

If you have dual credit or transfer credit, please visit our transfer course equivalencies guide at semo.edu/transfercredit.

Employment of Recent Graduates:

- Portageville, Missouri Public Schools
- Meadow Heights Public Schools
- Fredericktown, Missouri Public Schools
- Poplar Bluff, Missouri Public Schools
- Cuba, Missouri Public Schools
- National FFA Organization

Admission Requirements

- 42 credit hours completed
- One of the following: 1) Composite/Superscore of 20 or higher on the ACT exam; 2) Passing scores on all sections of the Missouri General Education Assessment (MoGEA); or 3) A 4-year degree from an accredited college/university
- The following course requirements met:

Additional Information

The state of Missouri has high expectations for future educators. Students matriculating into education programs must meet the following standards to be recommended for licensure following degree completion.

Students must maintain a 3.0 GPA in both the area of content expertise and pedagogy courses. In addition, students must pass the MO Content Exam and the MO Educator Evaluation System for recommendation for licensure. Students must also fulfill other assessments such as a dispositions profile and be cleared through an FBI background check.

Facilities

The department is committed to providing a variety of experiential learning opportunities for students majoring in agribusiness. Students gain experience at the following facilities:

- David M. Barton Agriculture Research Center
- Charles Hutson Horticulture Greenhouse
- Charles Nemanick Alternative Agriculture Garden
- Sikeston Irrigation Field
- With individual faculty and members on projects

For more information on the facilities, please visit the facilities website: <http://www.semo.edu/agriculture/facilities.htm>

Special Options with Secondary Education

Southeast offers a Master of Arts in Secondary Education: Educational Studies or Educational Technology.

NOTE: This program meets the educational requirements for professional licensure and/or certification in Missouri. Please consult our State Authorization webpage, to determine information specific to your state:

Bachelor of Science in Education (BSED)

This is a guide based on 2021-2022 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.

CURRICULUM CHECKLIST

"Critical Courses" are italicized and bold. Data shows that students who have completed this course in the first two years and have earned the noted grade are most likely to complete this program of study.

Professional Education Courses- 47 Hours Required
