THEATRE

Bachelor of Arts (BA)

ADMISSION TO THEATRE AND DANCE PROGRAM

Students interested in any of the professions associated with the Bachelor of Fine Arts in Theatre or the Bachelor of Arts in Theatre and Dance programs must first declare a major in Theatre or Dance. Upon completion of the declaration of major form, each student will be assigned an advisor within the conservatory. For students declaring either the BA in Theatre or Dance, the declaration of major form constitutes full admission into the program. For students declaring the BFA in Theatre, the declaration of major form does not constitute full admission into the program; rather, students will first be declared as "pre-theatre BFA" majors.

For formal admittance into the BFA in Theatre degree program, each student must:

- Audition or present a portfolio at the fall or spring BFA Admittance Auditions. For early admission, incoming students (freshmen or transfers) may audition the year prior to their first semester at Southeast; otherwise, they will audition their first year at Southeast. To apply, go to <https://semo.edu/colleges-departments/arts-media/conservatory/auditions.htm>

For continuance in the BFA degree program, each BFA Candidate must:

1. Have earned a minimum 3.0 high school, junior college or university GPA.
2. Gain admittance into the program by participating in a BFA Admittance Audition and receiving passing artistic marks from participating faculty.
3. Maintain a GPA of 3.0 or higher within the BFA program.
4. Participate in annual BFA reviews, receiving passing academic and artistic marks to advance in the program.

Admitted candidates whose GPA fall below minimum standards may remain in the BFA program on conservatory probation through the end of the current semester, plus grades from the two subsequent regular semesters, at which time they will regain full status or be dismissed from the program.

Admitted candidates whose artistic progress falls below minimum acceptable standards as determined by the faculty may remain in the BFA program on artistic probation for one regular academic semester, at which time they will go through a special BFA review as part of one of the regular BFA admission auditions. From that, they will either regain full status or be dismissed from the program.
