# **AGRIBUSINESS**

### **Master of Science (MS)**

**Online Delivery** 

This is a guide based on the 2023-2024 Graduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on factors such as dual enrollment, remediation, and summer enrollment. Students meet with an academic advisor each semester and use Degree Works to monitor their progress.

#### **CURRICULUM CHECKLIST**

## **Admission Requirements**

In addition to the criteria established for general admission to graduate studies, applicants must also meet the following:

- an undergraduate GPA of 3.0 on a 4.0 scale is recommended (GPA of 2.75 on a 4.0 scale is acceptable);
- 2. a grade of C or better in a college statistics course is recommended;
- 3. background in an agriculture-related field (through experience or coursework) is recommended.
