Degree Requirements

Specialist Students also must have completed the requirements of a counseling major-school, community, or an acceptable counseling major from another master's program.

All students must have a minimum, including the Master's, of 72 credit hours to graduate from the Educational Specialist program.

Transfer of Credits:

A student with regular admission status may transfer up to 48 of the 72 semester hours required for the specialist's degree from other regionally accredited institutions if the courses are a) appropriate, b) part of master's level work, c) on-campus courses, and d) approved by the student's advisor.

If the student earned his/her master's degree from Southeast Missouri State University, up to nine semester hours of such work may be transferred from regionally accredited institutions. Transfer, workshop, and independent study credit may not exceed nine semester hours. The last 16 hours toward the specialist degree must be taken from Southeast or receive prior permission from the advisor. This is required for Southeast to act as certifying agency or endorse the student for certification or licensure.

Admission Requirements

In addition to the criteria established for general admission to graduate studies, applicants must have the following:

1. A graduate GPA of 3.5 on a 4.0 scale
2. A master's degree in counseling or education from a regionally accredited institution of higher education. If not, the student will be required to take additional graduate work (admission under provisional status) before regular admission is granted.

In addition, international applicants must have a minimum IELTS score of 7.0 OR TOEFL score of 95. This requirement is for non-United States citizens who are not native English speakers. Students from the United Kingdom, Canada, Australia and New Zealand are exempt from English proficiency verification.

Probationary Admission

Probationary admission will be considered when the applicant presents a GPA that is less than 3.5 on a 4.0 scale. The admissions committee may permit the student to take nine hours in the program area. The student will be required to achieve a 3.66 GPA with a minimum grade of 'B' in each course.

Full Admission

Applicants who possess the requisite GPA will be admitted to graduate study and allowed to complete a maximum of six semester hours of prerequisite coursework, if applicable. If no prerequisite courses are needed, the student may complete a maximum of six semester hours applicable to program requirements prior to admission to the program by the Counseling Admissions Committee. The Committee will act only on applications that are complete. The admissions process may require an interview with the program coordinator and faculty. In addition, two letters of recommendation must be submitted directly to the Specialist Program Coordinator.

Denial of Admission

Applicants denied admission to graduate study based on a GPA of less than 3.5 on a 4.0 scale may apply for probationary admission. A letter of request, along with the three letters of recommendation and GRE or MAT scores should be sent to the Coordinator of the Specialist Program. Students denied admission may not enroll for coursework applicable to the degree program until such time as explicit permission, along with any stipulations, is granted by the Counseling Admissions Committee.

Appeals Process

Applicants who are denied admission will have the opportunity to appeal to the Counseling Program Admission Committee. Appeals must be in writing and should address any extenuating circumstances. Appeal letters should be addressed to the Counseling Program Coordinator.
