

ACCOUNTING

Master of Business Administration (MBA) Face to Face and Online Delivery

This is a guide based on the 2024-2025 Graduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on factors such as dual enrollment, remediation, and summer enrollment. Students meet with an academic advisor each semester and use Degree Works to monitor their progress.

Choose one with advice of program coordinator:

- GR698 Master's Final Comprehensive Examination (0)
- GR699 Master's Oral Examination (0)

*Applied Research Project must be in the accounting area

Students without an undergraduate degree in business may need to complete or demonstrate proficiency in the following required foundation coursework* prior to taking courses for which there are prerequisites. The foundation knowledge/coursework includes:

- Principles of Accounting I or Graduate Business Accounting Essentials
- Microeconomics or Graduate Business Microeconomics Essentials
- Financial Management or Graduate Business Finance Essentials
- Management Information Systems or Graduate Business Information Systems Essentials
- Business Analytics or Introductory Behavioral Statistics or Graduate Business Statistics Essentials

Additional foundation coursework for Accounting option:

- Principles of Accounting II
- Financial Accounting and Reporting I
- Financial Accounting and Reporting II

Students must earn a sufficient grade in all of the above classes. ["CR" for Graduate Business Essentials courses. "C" or better for other courses listed.]

*Proficiency in these areas may be demonstrated through any of the following alternatives:

1. Completion of BA601-605 Business Essentials coursework, as needed.
2. A CLEP or DANTE exam if available. Credit will not be given for these courses with a passing grade on the exam, but a passing score will indicate proof of course knowledge.
3. Applied knowledge of a given domain in the work environment. The extent to which relevant work experience demonstrates proficiency will be determined by the program director. Applicants who would like their work experience to be considered must submit a detailed resume with their application.

Admission Requirements

Students wishing to enter the MBA Accounting track should have completed an undergraduate degree in accounting at a regionally accredited institution or equivalent coursework from an accredited foreign institution. Students with an accounting degree from a foreign institution must have satisfactorily completed two intermediate accounting courses from a program that teaches these courses with USA GAAP standards.

Students without the foundation knowledge base in business and economics, yet meeting other admission requirements, may receive provisional admission to the MBA program. Regular admission status may be granted upon completion of prerequisite coursework.

In addition to the criteria established for general admission to graduate studies there are departmental criteria. Applicants are eligible for admission if they qualify under one of the following scenarios:

- Bachelor's degree* with a GPA of ≥ 3.0 .
- Graduate degree*
- Bachelor's degree* with a GPA of 2.5 to 2.99
 - Regular Admission with documentation** of one of the following:
 - 5 years of managerial work experience.
 - an active healthcare provider license.
 - recognized professional certification.
 - Probationary Admission otherwise. Students admitted with probationary status will need to complete the first 9 graduate credit hours with grades of B or better.
- Individuals with a bachelor's degree* GPA under 2.5 may be considered for Probationary Admission with additional documentation** demonstrating the applicant's preparation for graduate school.

*Degrees earned from a U.S.A. regionally accredited institution or foreign equivalent.

**Decisions about admission based upon the evaluation of a detailed resume, a healthcare provider license, professional certification, or additional documentation would be made at the discretion of the Director – Graduate Business Studies. The healthcare provider license should be something like nursing, pharmacist, etc. that has recognized standards and requires continuing education. Examples of professional certification include PMI Project Management, Six Sigma Green Belt, SHRM Certified Professional, Charter Financial Analyst, Certified Financial Planner, Certified Scrum Master, etc.

International students applying with a three-year degree must have their transcripts evaluated by an outside agency endorsed by AICE (www.aice-eval.org) or that is a member of NACES (www.naces.org).
