

EDUCATIONAL ADMINISTRATION (Ed.S.)

Specialist in Education (Ed.S.) Delivery Online

This is a guide based on the 2024-2025 Graduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on factors such as dual enrollment, remediation, and summer enrollment. Students meet with an academic advisor each semester and use Degree Works to monitor their progress.

CURRICULUM CHECKLIST

30 Hours Required

3.25 GPA Required

Choose One of the Following Specialty Tracks:

Superintendency:

- EA707 Personnel Management in Education (3)
- EA709 Leadership and Communications (3)

- EA647 & EA657 Secondary Internship I & Internship II
 - EA651 School Law
 - EA655 School Business/Facilities Management/Public Relations
 - EA660 Administration and Supervision of Special Education
 - GR691 Methods of Research

The degree requirements in Educational Administration are based on (1) the Professional Standards for Educational Leaders (PSEL), (2) the National Education Leadership Preparation standards (NELP), and (3) the Missouri Leaders Standards.

Degree Requirements

The Specialist degree in School Administration is a 30-hour program that prepares candidates for certification as a superintendent (K-12), career principal (K-8/7-12), and career special education director (K-12). For students entering the program with a masters' degree in school administration, only the 30 hours of core courses are required, and the program can be completed in five semesters including the summer. All courses are taught online with the 6 hours of internship conducted in the student's school district.

For students who enter the program with a masters' degree other than school administration, the advisor will determine the required prerequisite courses. All 600 level prerequisite courses can be taken online. For initial principal certification, Missouri requires a degree in administration. This means that a student must complete the prerequisites and the specialist degree before applying for the initial principal certificate.

Students who have one year of experience as a building level principal or special education director and do not desire the superintendent certificate may opt out of the internship. They would substitute two other courses for the 6 hours of credit. Students should discuss this option with their advisor.

Admission Requirements

In addition to the criteria established for general admission to graduate studies, applicants must have the following:

1. A graduate GPA of 3.5 on a 4.0 scale
2. A master's degree from a regionally accredited institution of higher education. The master's degree must be appropriate to the student's educational objective. If not, the student will be required to take additional graduate work before regular admission is granted.
3. A valid professional teaching certificate

International applicants must also have a minimum IELTS Academic score of 7.0, TOEFL iBT score of 95, PTE Academic score of 64 or Duolingo English score of 125. *This requirement is for non-United States citizens who are not native English speakers. Students from the United Kingdom, Canada, Australia and New Zealand are exempt from English proficiency verification.*

Probationary Admission

Probationary admission will be considered when the applicant presents a GPA that is less than 3.5 on a 4.0 scale. The admissions committee may permit the student to take nine hours in the program area. The student will be required to achieve a 3.66 GPA with a minimum grade of 'B' in each course.

Additional details regarding provisional admission restrictions and appeals can be found at semo.edu/grad/bulletin.
