

COLLEGE COST COMPARISON

How much will it cost? Great question! Use this worksheet to compare Southeast campuses and another school you are considering.

/Ask for the cost for 30 credit hours per year. We want you to graduate in four years and to know the cost to do so.

/Ask for the cost of program/course fees. These can add thousands of dollars to the cost of your degree.

/Know your **ESTIMATED NET COST** (cost after scholarships and grants [excluding loans] are applied).
