This year, we have the honor to host jazz trombone virtuoso Andre Hayward. Mr. Hayward was the former trombonist with the Duke/Mercer Ellington Orchestra, Illinois Jacquet Big Band, Jazz at Lincoln Center Orchestra, and the San Francisco Jazz Collective. As an academic, Andre has also served as trombone professor at New School for Jazz and Contemporary Music, New York University, and New England Conservatory.

The Clark Terry/ Phi Mu Alpha Jazz Festival has grown every year, becoming known as a premier student jazz event in the region. As we continue to add to the rich tradition of this festival, we look forward to welcoming new student groups, national artists, clinicians, and adjudicators from across the country. Our ultimate goal is to ensure that every participant leaves the festival energized, with a greater appreciation and knowledge for the art of jazz music and performance.
