

Gangaraju Vanteddu

Office Address:

Gangaraju Vanteddu, Ph.D., CSCP, CQE, CRE
Professor of Quantitative Business Methods
236 Dempster Hall
Harrison College of Business & Computing
Southeast Missouri State University
Cape Girardeau MO 63701
Office: 573-651-2915
E-mail: gvanteddu@semo.edu

Educational Qualification	Name of the University	Major	Grade
Ph.D.	Wayne State University, Detroit, U.S.A	Industrial Engineering	3.9
M.Tech	Indian Statistical Institute Calcutta, India	Quality, Reliability & Operations Research	Honors
B.Tech	SVU College of Engrg, Tirupati, India	Civil Engineering	First Class with Distinction

Professional Memberships:

- Association for Supply Chain Management (**ASCM - Previously APICS**)
- American Society for Quality (**ASQ**) and also serving as a member of the **Armand V. Feigenbaum medal committee** since 2007.
- Decision Sciences Institute (**DSI**)

Professional Certifications (Current):

- **ASCM** (Association for Supply Chain Management) Certification as a ‘Certified Supply Chain Professional’ (**CSCP**) - June 2021.
- ‘American Society for Quality (**ASQ**)’ certification as a ‘Certified Quality Engineer (**CQE**)’-June 2020: Certification # 47259.
- ‘American Society for Quality (**ASQ**)’ certification as a ‘Certified Reliability Engineer (**CRE**)’-June 2020: Certification # 5891.

Professional Certifications (Previous):

- IQA-IRCA-IATCA-UK certified **ISO 9000 Lead Auditor** – Nov 2000
Conferring Body: Nigel Bauer Associates, UK.

Primary Research Interest Areas:

- Supply Chain Management
- Applied Probability/Statistics
- Math Programming/Optimization
- Six Sigma Quality in Industry/Service sectors

Research Publications:

Book Chapter:

- Vanteddu, G., and Bandyopadhyay, A. (2022) (Approved for Publication). “Blockchain Technology Aptness for Improving the Supply Chain Visibility, Resiliency and Efficiency.”, *Handbook of Research on Supply Chain Resiliency, Efficiency, and Visibility in the Post-Pandemic Era*, IGI Global.

Journal Articles:

- Vanteddu, G., and Nicholls, G.M. (2020) “Supply Chain Network Design and Tactical Planning in the Dimension Stone Industry”, *Operations and Supply Chain Management*, Vol. 13, Iss. 4, pp: 320 – 335.
- Vanteddu, G., and Gray, N. (2017). “Ease of Doing Business in the Developing World and Political and Civil Rights”, *Journal of International Business and Economics*, Vol. 17, Iss 4, pp: 79-88.
- Vanteddu, G., and McAllister, C. (2014). “An integrated approach for prioritized process improvement”, *International Journal of Healthcare Quality Assurance*, Vol. 27, Iss 6, pp: 493-504.
- Vanteddu, G., and Chinnam, R.B. (2014). “Supply chain focus dependent sensitivity of the point of product differentiation”, *International Journal of Production Research*, Vol. 52:17, pp: 4984-5001.
- Vanteddu, G., and Somarajan, C. (2012). “A ‘continuous improvement’-based approach for the assessment of student learning”, *Int. J. Information and Operations Management Education*, Vol. 5, No. 1, pp.86–103.
- Vanteddu, G., Chinnam, R.B., Gusikhin, O. (2011). “Supply Chain Focus Dependent Supplier Selection Problem”, *International Journal of Production Economics*, 129, 204-216
- Dogan, I., Yoo, J., Chinnam, R.B., Jia, Y., Vanteddu, G. (2008). “Design and Analysis of Agents for Supply Chain Management: Experiences from the Trading Agent Competition”, *International Journal of Modeling and Simulation*, Volume 28, No. 4, 2008.
- Vanteddu, G., Chinnam, R.B., Yang, K., Gushikin, O. (2007). “Supply chain focus dependent safety stock placement”, *Int J Flex Manuf Syst*, Vol. 19(4), 463-485.
- Vanteddu, G., Chinnam, R.B., Yang, K. (2006). “A performance Comparison tool for supply chain management”, *Int. J. Logistics Systems and Management*, Vol.2, No. 4, pp.342-356.

Other Publications

- “Quality- Recessions’ Antidote” appeared as an op/ed article in Southeast Missourian on 22nd March 2010.

Conference Presentations:

- Vanteddu, G and Bandyopadhyay. “Blockchain Technology in Supply Chain Management”, Decision Sciences Institute (DSI) 2021 annual conference (virtual). Presentation date: November 20, 2021.
- Vanteddu, G. “A Conceptual Model for Improving the Supply Chain Resiliency”, Decision Sciences Institute (DSI) 2020 annual conference (virtual). Presentation date: November 21, 2020.
- Vanteddu, G. “Alignment of Accreditation Activities at Higher Educational Institutions for Student Success”, Decision Sciences Institute (DSI) annual conference held in New Orleans, LA. Presentation date: November 23, 2019.

- Vanteddu, G., and Dennis, M. “Impact of Business Environment and Resource Rents on Economic Development in the MENA Region”, Southeast Decision Sciences Institute (SEDSI) annual conference held in Wilmington, NC.
Presentation date: February 21, 2018.
- Vanteddu, G. “An Assurance of Learning (AOL) Based Approach for Meeting Stakeholder Expectations”, Decision Sciences Institute (DSI) annual conference held in Chicago, IL.
Presentation date: November 19, 2018.
- Vanteddu, G. “Strategic and Tactical Planning in Dimension Stone Industry”, Institute for Operations Research and the Management Sciences (INFORMS) conference held in Houston, TX
Presentation date: October 22, 2017.
- Vanteddu, G. “Application of Linear Programming in Dimension Stone Industry”, Institute for Operations Research and the Management Sciences (INFORMS) conference held in Nashville, TN
Presentation date: November 15, 2016.
- Vanteddu, G. “Impact of Non-traditional Factors on the Quality of the Business Environment”, Decision Sciences Institute (DSI) annual conference held at Seattle, WA;
Presentation date: November 22, 2015.
- Vanteddu, G. “Ease of Doing Business and the Developing World”, Network of International Business Schools (NIBS) annual conference held at St Louis, MO ;
Presentation date: May 20, 2015.
- Vanteddu, G. “A strategic tool for achieving compatibility between quality and supply chain drivers in healthcare industry”, Informs Annual conference in Minneapolis, MN (Oct 6th to 7th, 2013).
- Vanteddu, G. “Optimal order splitting ratios for a two-supplier case in a supply chain configuration problem”, Informs Annual conference in Phoenix, AZ (Oct 13th to 15th, 2012).
- Vanteddu, G. “Optimal order splitting ratios for a two-supplier case in a supply chain configuration problem”, MBAA International conference (Chicago, March 23rd, 2011).
- Vanteddu, G. “Effect of the Quality Drivers on the Supply Chain Drivers”, DSI Annual conference (San Diego, Nov 23rd, 2010).
- Vanteddu, G. “Effective Management of the Quality and the Supply Chain Drivers in Healthcare Industry”, Informs annual conference in Austin, TX (November 7th, 2010).
- Vanteddu, G. “Interrelation ship between quality and supply chain drivers in health care industry”, BRAINS seminar, Harrison College of Business, SEMO (November 3rd 2010).
- Vanteddu, G., Chinnam, R.B., Yang, K. “Supply chain focus dependent treatment of the sensitivity of the point of product differentiation”, DSI 2008 Annual meeting, Nov 22-25, Baltimore,VA.
- Vanteddu, G., Chinnam, R.B., Yang, K. “Supply chain focus dependent safety stock placement Problem”, Informs Annual meeting, Nov 4-7, 2007, Seattle, WA.
- Vanteddu, G., Chinnam, R.B., Yang, K. “Supply chain focus dependent supplier selection problem”, DSI 2007 Annual Meeting, Nov 17-20, Phoenix, AZ.
- Vanteddu, G., Chinnam, R.B., Yang, K. “Supply chain focus dependent supplier selection problem”, First Graduate Research Symposium, Organized by the IME Department, Wayne State University, Detroit, April 21st, 2006.
- Vanteddu, G., Chinnam, R.B., Yang, K. “Safety stock placement in a serial supply chain”, INFORMS Annual meeting, San Francisco, Nov 12-16, 2005.
- Vanteddu, G., Chinnam, R.B., Yang, K. “A Complexity based approach for supply chain modeling and coordination”, INFORMS Annual meeting, Oct 24–27, 2004, Denver.

- Vanteddu, G., Chinnam, R.B., Yang, K. “A 'Performance Comparison Tool' for achieving compatibility among players in a supply chain”, INFORMS Annual meeting, Oct 24–27, 2004, Denver .
- Vanteddu, G., Chinnam, R.B., Yang, K. “A performance comparison tool for a supply chain”, Presented as part of the student paper competition at ASQ (American Society for Quality) annual conference in Toronto (May 24-26, 2004).

Professional Development Activities:

- Attended the webinar presentation titled “Threatcasting: Future implications and lessons learned from COVID-19 ” organized by the Association for Supply Chain Management on June 1st, 2021.
- Attended the presentation titled “Academic Integrity-Reading Quiz Logs” organized by the CSTL, SEMO on May 25th, 2021.
- Attended the webinar presentation titled “Accommodating next gen supply chain needs with blockchain: Abbott case study ” organized by the Association for Supply Chain Management on May 18th, 2021.
- Attended the presentation titled “Southeast's IRB Q&A” organized by the CSTL, SEMO on March 12th, 2021.
- Attended the presentation titled “Moodle to Canvas Online Course” organized by the CSTL, SEMO on Jan 12th, 2021.
- Attended the topical workshop titled “Coaching Strategies in Academic Advising” organized by the CSTL, SEMO on Jan 12th, 2021.
- Attended the presentation titled “Canvas Commons, Library Materials and OER” organized by the CSTL, SEMO on December 18th, 2020.
- Attended the presentation titled “Transitioning to Canvas” organized by the CSTL, SEMO on October 2nd, 2020.
- Attended the presentation titled “Activities and Gradebook in Canvas” organized by the CSTL, SEMO on September 18th, 2020.
- Attended the presentation titled “Canvas is coming” organized by the CSTL, SEMO on August 18th, 2020.
- Attended the presentation titled “Microsoft Teams” organized by the CSTL, SEMO on August 17th, 2020.
- Attended the presentation titled “Microsoft Office 365” organized by the CSTL, SEMO on August 17th, 2020.
- Attended the presentation titled “What Does the Physical Hyflex Classroom Look Like?” organized by the CSTL, SEMO on July 16th, 2020.
- Attended the presentation titled “Tools you can use in your Hyflex classroom regardless of Modality” organized by the CSTL, SEMO on July 14th, 2020.
- Attended the presentation titled “Hyflex Rules and Communication” organized by the CSTL, SEMO on July 9th, 2020.
- Attended the presentation titled “Using ZOOM for Hyperflex and other Tech tools” organized by the CSTL, SEMO on June 18th, 2020.
- Attended the presentation titled “Hyperflex Modality Equivalency” organized by the CSTL, SEMO on June 17th, 2020.
- Attended the presentation titled “Hyperflex Classroom Organization and Management” organized by the CSTL, SEMO on June 16th, 2020.
- Attended the presentation titled “Using Virtual Reality: A Primer” organized by the CSTL, SEMO on April 24th, 2020.

- Attended the presentation titled “What ‘s all this about Learning Communities?” organized by the CSTL, SEMO on April 17th, 2020.
- Attended the workshop titled “Intercultural Simulation Game” organized by the Master Advisor Program, SEMO on February 28th, 2020.
- Attended the presentation titled “Blackboard Demonstration” organized by the CSTL, SEMO on February 18th, 2020.
- Attended the presentation titled “The Current State of OER” organized by the CSTL, SEMO on February 14th, 2020.
- Attended the *HLC information session* organized by the office of the Provost on April 25th, 2019.
- Successful Completion of the Utilizing *SupportNET for Academic Advising* workshop organized by the Academic Advising staff members on November 30th, 2018.
- Successful Completion of the *Closing the Loop Workshop: General Education Assessment* organized by the office of the Provost on November 26th, 2018.
- Successful Completion of the *HLC Chapter 6 Workshop (“Quality Overview”)* organized by the office of the Provost on November 13th, 2018.
- Successful Completion of the *HLC Chapter 5 Workshop (“Knowledge Management and Resource Stewardship”)* organized by the office of the Provost on November 12th, 2018.
- Successful Completion of the *HLC Chapter 4 Workshop (“Planning and Leading”)* organized by the office of the Provost on November 9th, 2018.
- Successful Completion of the *SupportNET Training* workshop organized by the OIT and CSTL staff members on October 12th, 2018.
- Successful Completion of the *Building Success for Students on Academic Probation* workshop organized by the Academic Advising staff members on March 27th, 2018.
- Participated in the CSCMP Roundtable luncheon and career fair in St Louis on Feb 18, 2016.
- Participated in the Provost’s Faculty Research and Creativity Showcase event on April 20, 2016, held at the River Campus.
- Attended the lecture “Commercialized Cheating” delivered by Kris Baranovic and Kumar Kashyap of CSTL as part of the BRAINS seminar series held on 09/07/16.
- Attended the lecture “Academic Honesty” delivered by Dr. Leisa Marshall as part of the BRAINS seminar series held on 11/02/16
- Attended the campus-wide event, “Building a Campus Culture to Support Persistence and Graduation” by Dr. Vincent Tinto on 19th October 2016.
- Participated in the Provost’s Faculty Research and Creativity Showcase event on April 29, 2015, held at the River Campus.
- Collaborated with HD Supply Waterworks executives, St Louis for identifying the key aspects of industrial distribution from practitioner’s perspective for possible inclusion in the proposed undergraduate degree program as part of the HCB team on January 9, 2015.
- Attended and successfully completed the Quality Matters online course preparation Cohort 4 workshop organized by CSTL and OIT during Fall 14.
- Attended the BRAINS presentation “Microsoft Compliance” by Dr. Carolyn Rainey on September 3rd, 2014.
- Successful completion of the “Using Camtasia to Make Your Videos ADA Compliant” training program/workshop sponsored by CSTL, SEMO on 18th August 2014.
- Attended the AACSB sponsored Applied Assessment Seminar on June 18th and 19th 2014 at Tampa, FL.
- Attended 2013 FASTENAL industrial and construction customer Expo ((Apr 2nd – Apr 3rd) at Indianapolis, IN.

- Successful completion of the “Let’s get started: Introduction to Moodle” training program/workshop sponsored by CSTL, SEMO on 27th November 2012.
- Successful completion of the “Creating interactive flash lessons and learning modules using Raptivity” training program sponsored by CSTL, SEMO on 1st June 2010.
- Successful completion of the “Power Point: A fresh approach to effective application and design” training program sponsored by CSTL, SEMO on 1st June 2010.

Media Appearances and Interviews

- Appeared on KFVS 12 TV evening news show on October 7, 2021, and briefly talked about the pandemic related supply chain disruptions.

Academic Journal Review

- Reviewer for International Journal of Production Economics/ International Journal of Production Research/European Journal of Operations Research/International Journal of Health Care Quality Assurance etc.

Grant Writing Seminars / Workshops:

- Attended the one-day seminar “Getting Started as a successful Grant Writer and Academician” by Dr. Stephen Russel, Grant writers’ Seminars and Workshops LLC, hosted by the Vice President for Research, Wayne State University on April 5th, 2006.

Research/Scholarship Awards:

- Awarded the 2017 *Middle Eastern Studies Faculty-Student Research Collaboration Grant* in the amount of \$1,945; Grant is supported through UISFL from the U.S. Department of Education
- Professional development funding in the amount of \$257.33 for research support (competitive) by the Harrison College of Business (2015-16).
- Professional development funding in the amount of \$560.00, Harrison College of Business, SEMO; 2014-15.
- Departmental recipient of one course release for research for Spring 2014 (competitive); Department of Accounting, SEMO.
- Professional development funding in the amount of \$1064.35, Harrison College of Business, SEMO; 2013-14.
- Professional development funding in the amount of \$506.90, Harrison College of Business, SEMO; 2012-13.
- Professional development funding in the amount of \$806.60, Harrison College of Business, SEMO; 2010-11.
- Department of I.E, Wayne State University sponsored visit to the Informs Annual meeting 2007 (Nov 4-7) for research presentation, Seattle, WA.
- Department of I.E, Wayne State University sponsored visit to the DSI Annual meeting 2007 (Nov 17-20) for research presentation, Phoenix, AZ.
- Graduate Travel award for attending the INFORMS Annual meeting at San Francisco 2005 for research presentation.
- Graduate Travel award for attending the INFORMS conference at Denver 2004 for research presentation.
- Graduate Travel award for attending the ASQ Annual conference at Toronto 2004 for research presentation.
- Received Government Merit Scholarship for the entire period of M. Tech.
- Received the State Merit Scholarship during B.Tech.

Employment:

Teaching Experience (Jan 2002 to the present):

Department of Marketing, Harrison College of Business & Computing, Southeast Missouri State University:

Professor (Quantitative Business Methods) (08/2018 to Present)

Department of Accounting, Harrison College of Business, Southeast Missouri State University:

Associate Professor (Quantitative Business Methods) (08/2014 to 07/2018)

Assistant Professor (Quantitative Business Methods) (08/2009 to 08/2014)

Courses Taught:

QM 257: Business Analytics –I

QM 258: Business Analytics -II

QM 352: Quantitative Decision Models/ Management Science

QM 358: Production/ Operations Management

QM 558: Principles of Supply Chain Management

Visiting Assistant Professor (08/ 2008 to05/2009)

Decision Sciences and MIS Department

Farmer School of Business, Miami University, Oxford OH

UG Courses:

Fall 2008

DSC 205: *Business Statistics*

Spring 2009

DSC 291: Applied Regression Analysis in Business (with SAS)

DSC 205: *Business Statistics*

Industrial & Manufacturing Engineering Department

Wayne State University, Detroit MI:

Graduate Courses:

Instructor: IE 6210: *Applied Statistics for Engineers* (Winter 2007)

Instructor: *Statistics refresher course* (I.E Department sponsored noncredit course) Fall 2004

Instructor: IE 6270: Statistical Design of Experiments

Sep 17th – Sep 29th Fall 2004

UG Courses:

Instructor: IE 4310: *Production Control (3 Credits)* Winter 2008

Instructor: IE 4260: *Principles of Statistical Quality Control* (Fall 2006)

BE 2100 (BE 3220 until Fall 2004): *Probability and Statistics for Engineers* (Winter 2002 – Summer 2008)

Teaching/Training/Service awards:

- Honored for 10 years of service to SEMO at the Employee Recognition Program held on April 26, 2019.
- Noted as one of the Professors who made significant impact on the survey of spring 2018 Graduates.

- Successful renewal of the Graduate Faculty Status by the Provost's office through Spring 2023 (May 4, 2018).
- Awarded the Copper Dome Faculty Fellowship in the area of Teaching Effectiveness in the amount of \$4,000 for the period Fall 2017- Spring 2019
- Successfully obtained the *Quality Matters* certification for the following online courses taught at HCB:
QM 257 and QM 258 (Spring 15); QM 558 (Fall 15); QM 352 (Fall 16)
- Obtained the Honors Faculty status in Spring 2016(Jane Stephens Honors Program-HCB)
- Officially inducted into Beta Gamma Sigma-the international honor society for business (May 2015).
- Received the Engineering College student-faculty board (ESFB) 'Outstanding Teaching Assistant Service' award during the 2008 Honors Convocation by the College of Engineering, Wayne State University.
- Received the Engineering College student-faculty board (ESFB) 'Outstanding Teaching Assistant Service' award during the 2006 Honors Convocation by the College of Engineering, Wayne State University.
- Received the Engineering College student-faculty board (ESFB) 'Outstanding Teaching Assistant Service' award during the 2004 Honors Convocation by the College of Engineering, Wayne State University.
- Awarded a "Certificate of Teaching Development" by the WSU upon the successful completion of the 2002 GTA Orientation.
- Received a letter of Appreciation from Hyquip Rotolok (p) Ltd, Hyderabad, India for successfully training/guiding them for ISO 9001 certification (2000).
- Received a letter of Appreciation from SEW Constructions Ltd, Hyderabad, India for successfully training/guiding them for ISO 9001 certification (2001).

Service:

Southeast Missouri State University, Cape Girardeau, MO

Departmental Committees:

- Chair, Quantitative Methods Curriculum Committee (Fall 2012- Fall 2013; Aug 2019 - present)
- Department representative at Show Me Days Academic Fair: 13th November 2021
- Member, Marketing Department Tenure and Promotion Advisory Committee: (August 2019- December 2020)
- Chair, Marketing Department Tenure and Promotion Advisory Committee: (November 2018- July 2019)
- Marketing Department representative at the Show Me Days Academic Fair and Open House in Dempster Hall: 2nd November 2019
- Chair, Accounting department Professional development Committee (February 2017 – July, 2018)
- Member, Accounting Department Search Committee for filling a tenure track Assistant Professor position in the area of Accounting: (Sept 2017- Jan 2018)
- Member, Marketing Department Search Committee for filling the department chairperson position: (Summer 2018)
- Department representative at Show Me Days Academic Fair: 7th April 2018
- Department representative at Show Me Days Academic Fair: 10th November 2018
- Member, Departmental Tenure and Promotion Advisory Committee (Acctg departmental committee: Fall 2015- Summer 2017)

- Member, Quantitative Methods Curriculum Committee (Fall 2009- Summer 2012; Spring 2014 – Summer 2019)
- Member, Accounting department Professional development Committee (August 2011- January 2017)
- Member, Student Honors Committee (Fall 2009-Fall 2011)
- Department representative at the Show Me Days Academic Fair: 25th March 2017
- Department representative at the Show Me Days Academic Fair: 28th March 2015
- Department representative at the Show Me Days Academic Fair: 29th March 2014
- Department representative at the Show Me Days Academic Fair: 16th February 2013
- Department representative at the Show Me Days Academic Fair: 19th February 2011
- Department representative at the College fair day :17th October 2011
- Served as the search committee chair for the Assistant Professor in Quantitative Methods position (Department of accounting) Academic year 2013-14.
- Served as a member of the search committee for the Instructor of Computer Applications position (Department of accounting, 2012-13).

Harrison College of Business & Computing Committees:

- Member, HCBC Strategic Planning Committee (September 2021 – July 2023)
- Invited Member for the Comp Sci department, HCBC College P & T Committee (September 2021 – July 2022)
- Invited Member for the Management department, Management department P & T Committee (January 2021 – July 2021)
- Chair, HCBC Handbook revision Committee (September 2019 – October 2020)
- Member, HCBC Publications Committee (alternate) (Spring 2019 – Current)
- Member, Management Department Search Committee for filling an instructor position in the area of MIS: (Spring 2019)
- Member, Search Committee for filling the Associate Dean position: (June 2018 – July 2018)
- Took lead in the establishment of ASCM (previously APICS) student chapter at HCB among prospective students with interests in supply chain management, operations management and logistics (2016-17).
- Member, Sabbatical Leave Review committee (HCB Committee: August 2016- July 2018)
- Member, AOL committee (HCB Committee; Spring 2014- Spring 2017)
- BRAINS organizer (Fall 2011 -Fall 2013)
- Member, Human Subjects in Research Committee (Fall 2009-Fall 2016)
- Online Grad MBA student advisor (2009- current)
- Member, Ad hoc QM Curriculum Committee (Fall 2011- Fall 2012)
- Scorekeeper for HCB business knowledge competition (Redhawk rumble) in Spring 2010, Spring 2011, Spring 15 and Spring 17.

University/Intercollege Committees:

- Faculty Senator (Department of Marketing) (September 2020 – May 2021)
- Invitee, Engineering & Technology Advisory Committee Annual Meeting (Since 2017)
- Member, Academic Assessment Committee (September 2018 – July 2020)
- Faculty Member at Large on the AQIP Steering Committee (September 2018 – July 2021)

- Member, GRFC Committee (August 2017- July 2019)
- Member, University Commencement Committee (Fall 2009- Fall 15)

Miami University, Oxford, OH

- Member, DSC Area Coordination Committee, DSC & MIS Department, Farmer School of Business (August 2008 - May 2009).

Wayne State University, Detroit, MI

- In charge of the placement exam in Probability and Statistics for the incoming M.S students from Fall 2004 – Winter 2008, IME department, Wayne State University.

External Organizations

- Member, Armand V. Feigenbaum medal Committee, ASQ (2007- Present)
- Editorial Advisory Board Member for the forthcoming book titled “Supply Chain Resiliency, Efficiency, and Visibility in the Post-Pandemic Era.” (IGI Global) (May 2021 – current)
- Serving as a member of the editorial board for the *Int. J. Information and Operations Management Education* journal; (August 2019 – Present)
- Member(HCBC), Cape Girardeau Chambers of Commerce (September 2019 – Present)

Miscellaneous

- Participated in the promotional video for the Cape Girardeau Central Middle School (Spring 2017)
- Made a presentation on “Indian culture” at the Bethel assembly of God, Cape Girardeau, MO (September 2010)
