National Accreditation

National Accreditation

Southeast's Educator Preparation Program will be participating in its national accreditation visit Monday, October 21 and Tuesday, October 22. During these dates and the time

scheduled for this visit, the Office of Educator Preparation will have limited personnel to meet with.

Praxis

Vouchers Available

There are a limited amount of praxis vouchers available. If interested, please email edprep@semo.edu with your name, major and the exact test you wish to take. Some additional vouchers for tests greater than \$53 will be available in a couple of weeks according to DESE.

Test Registration Reminders

When registering for Praxis exams, please remember the following:

- Include your Social Security Number when creating a profile. This is currently listed as optional on the site but in order for DESE's certification system to connect scores to an individual, they need an SSN tied to them. We are working with ETS to change the language on the site to reflect that this as a requirement for Missouri.
- Test takers receive a free Interactive Practice Test when they purchase their exam. This free practice test does not show in your cart until close to the end of the checkout process. There are pop-ups to add on extra practice tests or study material prior to the free test showing in your cart.
- When taking the test at home, Microsoft Edge is the preferred browser. Customer Service advised that using Microsoft Edge resolves some of the technical issues one may encounter when registering.

Praxis Study guides are available on [Canvas](#). You should receive an invitation to a Canvas Course titled Pre-Service Teacher Resources, which will house study guides and other resources related to educator preparation. If you would like access and don't have it, please email edprep@semo.edu.

Student Teaching in Chile – Deadline is Oct 30

Student Teaching in Chile is being planned for the Spring Semester of 2024. There have been a number of changes in the program due to the circumstances of the last few years.

- Dates for the experience are set for 4/5/25 – 5/3/25.
- Students must complete the required 60 days of student teaching in Missouri (or a reciprocal state) in order to meet certification requirements.
- Only four (4) elementary positions will be available. There is no longer an option for secondary or exceptional child majors to participate.
- Students will be housed with host families as Eagles' College no longer owns an apartment building.
- Students must be able to provide proof of health insurance, and that the insurance will cover out of country treatment.

Please complete this [Chile Student Teaching Application](#) to apply.
