Praxis

Test Registration Reminders

When registering for Praxis exams, please remember the following:

- When you register for your Praxis exam(s), be sure to select Southeast Missouri State University so that your scores will be sent to Ms. Lincoln in a timely manner.
- Include your Social Security Number when creating a profile. This is currently listed as optional on the site but in order for DESE's certification system to connect scores

to an individual, they need an SSN tied to them. We are working with ETS to change the language on the site to reflect that this as a requirement for Missouri.

- Test takers receive a free Interactive Practice Test when they purchase their exam. This free practice test does not show in your cart until close to the end of the checkout process. There are pop-ups to add on extra practice tests or study material prior to the free test showing in your cart.
- When taking the test at home, Microsoft Edge is the preferred browser. Customer Service advised that using Microsoft Edge resolves some of the technical issues one may encounter when registering.

Vouchers Available

There are still a few praxis vouchers available. We currently have 3 elementary sub test vouchers and one foreign language voucher. If interested, please email edprep@semo.edu with your name, major and the exact test you wish to take. These vouchers are based upon financial need.

Study Guides Available/Updated Canvas Page

Praxis Study guides are available on [Canvas](#). You should receive an invitation to a Canvas Course titled Pre-Service Teacher Resources, which will house study guides and other resources related to educator preparation. If you would like access and don't have it, please email edprep@semo.edu.

240 Tutoring Praxis Exam Credit

If you would like a 240 Tutoring credit to use to study for your Praxis Exam, go to the Pre-Service Teacher Resources [Canvas](#) page to apply and for more information!

Research Study

As part of our graduation requirements within Southeast Missouri State University's Communication Disorders program, we invite you to participate in our research study regarding speech-language pathologists' (SLPs), general education teachers', and students' perceptions of stuttering disorders and individuals who stutter. With your participation, we can gain more insight into peoples' perceptions about stuttering to provide education and resources that may be beneficial to those working with individuals who stutter. This study has been approved by the Institutional Review Board at Southeast Missouri State University.

To participate in this study, you can click this [link](#). This survey should take approximately 15-20 minutes of your time. Your identity and participation will remain confidential.

Our hope is that this research will guide the understanding of individuals' perceptions of stuttering and individuals who stutter. This information will help us to potentially identify further education opportunities and provide sufficient resources to those interested in learning more about communication disorders, such as stuttering. If you have any questions, please contact our research supervisor, Dr. Samantha Washington, at swashington@semo.edu
