## **Praxis Test Registration Reminders**

When registering for Praxis exams, please remember the following:

- **Include your Social Security Number when creating a profile.** This is currently listed as optional on the site but in order for DESE's certification system to connect scores to an individual, they need an SSN tied to them. We are working with ETS to change the language on the site to reflect that this as a requirement for Missouri.

- **Test takers receive a free Interactive Practice Test when they purchase their exam.** This free practice test does not show in your cart until close to the end of the checkout process. There are pop-ups to add on extra practice tests or study material prior to the free test showing in your cart.
- **When taking the test at home, Microsoft Edge is the preferred browser.** Customer Service advised that using Microsoft Edge resolves some of the technical issues one may encounter when registering.
