Friday, September 10 – Face-to-Face Sikeston District Substitute Teacher Training

Sikeston R-6 Schools will be hosting a face-to-face Substitute Teacher Training session from 9:00 a.m. to 11:00 a.m. on Friday, September 10 in Scully room 312. Substitute teaching is a great opportunity to gain experience and to have school personnel to get to know you. It will increase your teaching skills and improve your resume. This training will enable participants to substitute teach at Sikeston R-6 Schools. A valid substitute certificate is needed in order to sub. If you do not have a sub certificate, please contact Danyell Pride at dpride@spsr6.org or (573) 472-2581.

The guest speaker will be SMSTA Coordinator Krista Meyer, who will speak about the benefits of membership and why you should join SMSTA!

Office of Field Experiences Masking Policy

Students in pre-student teaching field experience courses must follow the guidelines for [Protect the Nest](#). Masking is required in these field experiences as per university policy.

Technology Requirements for Education Majors

Education majors must have a mobile device for their course work, but may choose to use any device, such as a laptop, and not exclusively iPads. Education majors are required to have a device in class when they take their first pre-education course, such as ED 280 Introduction to Education as a Profession. Cell phones are not an acceptable device. The device must meet specifications needed for education courses, and the details of these specifications can be found on the EDvolution Center website at this [link](#).

Pearson Testing Voucher Update

The few Pearson Testing Vouchers that we previously received have already been given out to students. We hope to receive some more vouchers in September. Any new information will be posted in upcoming newsletters this fall.

Gain Experience, Grow a Portfolio, Get Paid – and Do it all on Social Media

University Marketing is looking for a group of 10 students from across campus to represent the University on social media as influencers. They'll be dubbed the SEMO Social Ambassadors and be expected to work about 5 hours per week. They will be paid like any other student worker on campus. They will run their own SEMO branded Instagram accounts and post from time to time on the University accounts. Ideally this group will be a representative cross section of Southeast that includes several majors, departments, and organizations. If you are interested, apply [here](#).

Cumulative GPA Requirement Change Effective May 15, 2021

Effective May 15, 2021 candidates are no longer required to meet the 2.75 cumulative GPA requirement in order to be certified. Instead, candidates who are recommended after May 15, 2021 will be expected to have earned a 3.00 GPA in their professional education and content area coursework. For those areas for which a disciplinary content area does not apply, candidates will need to have earned a 3.00 GPA in their professional education and overall program coursework. For any category of required GPA, calculations will be made using courses listed on an EPP's approved program matrix.
