Tuesday, September 14: First SMSTA Meeting Today

The first SMSTA (Student Missouri State Teachers Association) meeting will be MANDATORY for all new people interested in joining this semester. The meeting will be held in person today, Tuesday, September 14, at 6:00 p.m. in Dempster Hall Room 125. The guest speaker will be SMSTA Coordinator Krista Meyer, who will speak about the benefits of membership and why you should join SMSTA!

Who Wants \$500?

Don't forget to [submit your vaccine card](#) to be eligible for the cash prize giveaways and to make sure your vaccine counts toward the 70% vaccination rate goal.

Student Teaching in Chile

Unfortunately, due to circumstances in the world in which we live, student teaching in Chile has been suspended for the Spring 2022 semester.

Courtesy Placements

In general, all students will be expected to do student teaching in Southeast Missouri or sites within reasonable driving distance for university supervisors. However, in hardship situations, candidates may be considered for an out-of-region placement. Students who wish to be considered for placement outside the area must fill out a request form provided by the Field Experiences Office in Scully 304 within two (2) weeks of the beginning of the semester immediately preceding the student teaching semester.

Students will be considered for teaching outside the university service area if:

1. The candidate is married before the student teaching semester begins and the spouse is required to live outside the area for employment, or military commitment.
2. A hardship exists due to a serious, long-term illness of a member of the immediate family which would require the candidate to relocate immediately.
3. Another documented hardship exists as determined by the Director of Field Experiences and the Field Experience Committee

The Director of Field Experiences and the Field Experience Committee will determine if a candidate meets the requirements for student teaching outside the region. Exceptions or appeals can be made to a committee made up of the Associate Dean, Director of Field Experiences, and the Chairs of the Department of Leadership, Middle, and Secondary Education and the Department of Elementary, Early, and Special Education. Students must be able to assure that the need is valid and that all requirements are met. The committee will not rule on other issues of placement not covered under those regulations.

Approved students must pay a non-refundable fee that will vary depending on the placement to cover costs related to the additional time related to coordinating out-of-area placements. [Courtesy Placement Form](#)

Office of Field Experiences Masking Policy

Students in pre-student teaching field experience courses must follow the guidelines for [Protect the Nest](#). Masking is required in these field experiences as per university policy.

Technology Requirements for Education Majors

Education majors must have a mobile device for their course work, but may choose to use any device, such as a laptop, and not exclusively iPads. Education majors are required to have a device in class when they take their first pre-education course, such as ED 280 Introduction to Education as a Profession. Cell phones are not an acceptable device. The device must meet specifications needed for education courses, and the details of these specifications can be found on the EDvolution Center website at this [link](#).

Pearson Testing Voucher Update

The few Pearson Testing Vouchers that we previously received have already been given out to students. We hope to receive some more vouchers in September. Any new information will be posted in upcoming newsletters this fall.

Are you Looking for a Place to Zoom?

If you are looking for space to Zoom while in Scully (or anywhere on the main campus), check out the link below. For the private spaces in The EDvolution Center, we highly

recommend making a reservation by emailing edvolution@semo.edu. The second link is for Zoom spaces on regional campuses.

Background Checks

If you are planning to do field work in PreK-12 school buildings during the fall 2021 semester, you are required to have an up-to-date fingerprint background check on file with the Teacher Preparation Program. Field work courses include CE364, CE480, ED280, EL314, EL350, EL430, EL480, EX309, EX480, ME222, ME270, SE355, SE380, SE465, and any other course that requires field work in a school. (If you previously obtained a background check for the Southeast Missouri State University Teacher Preparation Program after September 2018, it has not expired.) If you are unsure if you have a background check on file with Teacher Preparation Program, you can email the Candidate Status and Certification Officer at cscs@semo.edu to check on your background check status. To obtain a new background check, you must go to the following website: <https://semo.edu/education-health/edu-prep/backgroundcheck.html> and follow the directions provided.

MoCA/MoGEA Study Guides Available on Canvas

MoCA/MoGEA Study guides are available on Canvas. At this point, you should have received an invitation to a Canvas Course titled Pre-Service Teacher Resources, which will house study guides and other resources related to educator preparation. If you didn't receive an invitation and would like one, please email edprep@semo.edu.
