Student Teaching in Chile

Student Teaching in Chile is being planned for the Spring Semester of 2024. There have been a number of changes in the program due to the circumstances of the last few years.

Dates for the experience are set for 4/2/24 - 5/10/24.

Students must complete the required 60 days of student teaching in Missouri (or a reciprocal state) in order to meet certification requirements.

Only four (4) elementary positions will be available. There is no longer an option for secondary or exceptional child majors to participate.

Students will be housed with host families as Eagles' College no longer owns an apartment building.

Students must be able to provide proof of health insurance and that the insurance will cover out of country treatment.

Click on the [application to apply](#).

Deadline for applications is October 12, 2023.

Free MoCA/MoGEA Vouchers

We have a very limited amount of free MoCA/MoGEA vouchers available at this time. If you are interested in receiving a voucher, please send an email with your name, major and student ID number to edprep@semo.edu.
