From the Office of Educator Preparation

Dear Educator Preparation Students,

Welcome to the Spring semester! As you begin this new term, the Office of Educator Preparation would like to wish you a successful and rewarding semester. We appreciate the dedication and commitment you bring to preparing for a career in education, and we are excited to support you along the way.

As the semester progresses, please be sure to regularly check and read emails from the Office of Educator Preparation (especially from Mrs. Lincoln) and program staff. Vital information related to coursework, field experiences, certification requirements, and deadlines will be communicated through email, and staying informed is essential to your success.

We also encourage you to take advantage of the many resources available to you through the university and our office. These supports are designed to help you navigate your program requirements, strengthen your professional skills, and successfully progress toward certification.

Most importantly, know that our office is here for you. If you have questions, concerns, or simply need guidance, please feel free to stop by and visit any member of our staff. We are always happy to talk with you and assist in any way we can.

We wish you the absolute best this Spring semester and look forward to collaborating with you.

Warm regards,

Office of Educator Preparation

Praxis

Test Registration Reminders

When registering for Praxis exams, please remember the following:

- When you register for your Praxis exam(s), be sure to select Southeast Missouri State University so that your scores will be sent to Ms. Lincoln in a timely manner.
- Include your **Social Security Number** when creating a profile. This is currently listed as optional on the site but for DESE's certification system to connect scores to an individual, they need an SSN tied to them. We are working with ETS to change the language on the site to reflect that this is a requirement for Missouri.

- Test takers receive a free Interactive Practice Test when they purchase their exam. This free practice test does not show in your cart until close to the end of the checkout process. There are pop-ups to add extra practice tests or study material prior to the free test showing in your cart.
- When taking the test at home, Microsoft Edge is the preferred browser. Customer Service advised that using Microsoft Edge resolves some of the technical issues one may encounter when registering.

Praxis Vouchers

We have received a limited number of vouchers, if interested email edprep@semo.edu. Please note that students who receive financial aid will be considered first.

Study Guides Available/Updated Canvas Page

Praxis Study guides are available on [Canvas](#). You should receive an invitation to a Canvas Course titled Pre-Service Teacher Resources, which will house study guides and other resources related to educator preparation. If you would like access and do not have it, please email edprep@semo.edu.

240 Tutoring Praxis Exam Credit

If you would like a 240 Tutoring credit to use to study for your Praxis Exam, go to the Pre-Service Teacher Resources [Canvas](#) page to apply and for more information!

Candidate Status & Certification

Changes in Illinois Educator Licensure (Initial Certification)

All educators are now required to pass the Illinois content test prior to receiving the professional educator license (PEL), including educators who are pursuing the reciprocity route to licensure. The Illinois State Board of Education will begin incorporating the four topics required for initial licensure (Methods of Teaching Special Education, Methods of Teaching Reading, Reading in the Content Area, and Methods of Teaching English Learners) into a test that will be required as part of initial licensure. This will go into effect on **January 1, 2026**. For more information, please stop by the Office of Educator Preparation.

Field Experiences Office

Student Entering Student Teaching in the Next Semester

With the extreme teacher shortage, many students are applying for jobs prior to student teaching. Please understand that all requirements for the student teaching placement remain in effect. (Student Teaching MAP, certification requirements, etc. as per the handbook). If a district contacts a student regarding employment, please notify the Field Office before interviewing for a position. There are many pieces that must be in place for the student to qualify for certification at the end of their culminating experience. The Field Office needs to ensure that all requirements are met before a student signs a contract.

Important Field Transportation Information

Students enrolled in field coursework are responsible for their own transportation. Questions concerning transportation may be referred to the instructors or the Office of Field Experiences.

Triad Information

Triad attendance is mandatory and must be attended at the beginning of the semester of student teaching. If you are a student teaching in the spring semester, it is an absolute requirement that you attend one of the Triad sessions.

Upcoming Triad Dates for Student Teaching

Students must complete the Triad meeting (the university supervisor, the mentor teacher, and the student) PRIOR to begin the student teaching experience. In Student Teaching, students will follow the assigned school district's schedule. Triad dates have been set in advance to provide plenty of opportunities to avoid conflicts. Triads are usually held in Cape, Sikeston, and St. Louis. Times and places are not set as we are unable to secure rooms in advance.

Spring 2026 – January 5, 6, and 7

Fall 2026 – August 12, 13, and 14

Spring 2027 – January 5, 6, and 7

Fall 2027 – August 17, 18, and 19

Scholarships

2025-2026 MARE Scholarship

The Missouri Association of Rural Education offers two scholarship programs for students interested in becoming teachers and returning to rural school districts to teach. The first program is the MARE Rural Missouri Scholarship Fund. This program is open to only junior and senior level students attending Missouri colleges or universities that offer degrees in education. Applicants must have completed 60 or more credit hours and have declared a major in education. Last year, MARE provided twenty-two (22) \$1,000.00 scholarships. They plan to present 20-25 \$1,000.00 scholarships this year alone! **Information about this program is available [here](#).** The deadline to apply for this scholarship is **Friday, March 13, 2026**. Materials must be received by this date! **You can visit the link above to access the application or visit the Ed Prep Office in Scully 301 to get a copy.**

MSTA Scholarship

MSTA (Missouri State Teachers Association) offers several scholarships. See this [link](#) for more information.

SEMO Scholarships

There are many [endowed scholarships](#) available to students each year. Check them out!
