## Praxis

### Test Registration Reminders

When registering for Praxis exams, please remember the following:

- When you register for your Praxis exam(s), be sure to select Southeast Missouri State University so that your scores will be sent to Ms. Lincoln in a timely manner.
- Include your Social Security Number when creating a profile. This is currently listed as optional on the site but in order for DESE's certification system to connect scores to an individual, they need an SSN tied to them. We are working with ETS to change the language on the site to reflect that this is a requirement for Missouri.
- Test takers receive a free Interactive Practice Test when they purchase their exam. This free practice test does not show in your cart until close to the end of the checkout process. There are pop-ups to add on extra practice tests or study material prior to the free test showing in your cart.
- When taking the test at home, Microsoft Edge is the preferred browser. Customer Service advised that using Microsoft Edge resolves some of the technical issues one may encounter when registering.

## **Field Experiences Office**

### **Student Entering Student Teaching in the Next Semester**

With the extreme teacher shortage, many students are applying for jobs prior to student teaching. Please understand that all requirements for the student teaching placement remain in effect. (Student Teaching MAP, certification requirements, etc. as per the handbook).

If a district contacts a student in regard to employment, please notify the Field Office before interviewing for a position. There are many pieces that must be in place for the student to qualify for certification at the end of their culminating experience. The Field Office needs to ensure that all requirements are met before a student signs a contract.
