- A 2.5 GPA in content coursework is required for all middle school, secondary, and K-12 programs except Exceptional Child K-12, Music K-12 and Social Studies 9-12, which require a 3.0 GPA in content coursework.

Praxis

Test Registration Reminders

When registering for Praxis exams, please remember the following:

- When you register for your Praxis exam(s), be sure to select Southeast Missouri State University so that your scores will be sent to Ms. Lincoln in a timely manner.
- Include your **Social Security Number** when creating a profile. This is currently listed as optional on the site but in order for DESE's certification system to connect scores to an individual, they need an SSN tied to them. We are working with ETS to change the language on the site to reflect that this is a requirement for Missouri.
- Test takers receive a free Interactive Practice Test when they purchase their exam. This free practice test does not show in your cart until close to the end of the checkout process. There are pop-ups to add on extra practice tests or study material prior to the free test showing in your cart.
- When taking the test at home, Microsoft Edge is the preferred browser. Customer Service advised that using Microsoft Edge resolves some of the technical issues one may encounter when registering.

Praxis Vouchers

We should receive more vouchers sometime in September. More information to come in the September newsletter.

Candidate Status & Certification

Changes in Illinois Educator Licensure (Initial Certification)

All educators are now required to pass the Illinois content test prior to receiving the professional educator license (PEL), including educators who are pursuing the reciprocity route to licensure. The Illinois State Board of Education will begin incorporating the four topics required for initial licensure (Methods of Teaching Special Education, Methods of Teaching Reading, Reading in the Content Area, and Methods of Teaching English Learners) into a test that will be required as part of initial licensure. This will go into effect on **January 1, 2026**. For more information, please stop by the Office of Educator Preparation.

Student Teaching in Chile

Deadline to apply: 10/3/2025

Student Teaching in Chile is being planned for the Spring Semester of 2025. There have been a number of changes in the program due to the circumstances of the last few years.

Dates for the experience are set for **April 8, 2026 - May 6, 2026**

Students must complete the required 60 days of student teaching in Missouri (or a reciprocal state) in order to meet certification requirements. Only four (4) elementary positions will be available. There is no longer an option for secondary or exceptional child majors to participate. Students will be housed with host families as Eagles' College no longer owns an apartment building. Students must be able to provide proof of health insurance and that the insurance will cover out of country treatment.

Student Entering Student Teaching in the Next Semester

With the extreme teacher shortage, many students are applying for jobs prior to student teaching. Please understand that all requirements for the student teaching placement remain in effect. (Student Teaching MAP, certification requirements, etc. as per the handbook).

If a district contacts a student in regard to employment, please notify the Field Office before interviewing for a position. There are many pieces that must be in place for the student to qualify for certification at the end of their culminating experience. The Field Office needs to ensure that all requirements are met before a student signs a contract.

Important Field Transportation Information

Students enrolled in field coursework are responsible for their own transportation. Questions concerning transportation may be referred to the instructors or the Office of Field Experiences.

Triad Information

Triad attendance is mandatory and must be attended at the beginning of the semester of student teaching. If you are a student teaching in the spring semester, it is an absolute requirement that you attend one of the Triad sessions.

Upcoming Triad Dates for Student Teaching

Students must complete the Triad meeting (the university supervisor, the mentor teacher, and the student) PRIOR to beginning the student teaching experience. In Student Teaching, students will follow the assigned school district's schedule. Triad dates have been set in advance to provide plenty of opportunities to avoid conflicts. Triads are usually held in Cape, Sikeston, and St. Louis. Times and places are not set as we are unable to secure rooms in advance.
