

# OFFICE OF THE PRESIDENT

SOUTHEAST MISSOURI STATE UNIVERSITY

**Thursday, Oct. 28, 2021**

---

Dear Redhawks,

We are close to reaching our vaccination rate goal. The video below has an update and message for you.

Here's what you can do to help us meet our goal.

**Share your vaccine card with us.** There are two ways you can do that:

- Take a photo or scan of your vaccination card and upload it [here](#).
- Share your card with us in person. No images are taken, you just present your vaccination card along with your Southeast ID at one of these locations:

- Student Recreation Center
- University Center, room 413
- River Campus Chart Clinic in Dobbins Center
- Kennett Campus
- Sikeston Campus
- Cape College Center
- Poplar Bluff, TRC Westover Administration Bldg. #200A

**Start the vaccination process.** We are counting first doses as part of this incentive program. To get your vaccination before our Nov. 1 deadline, you can find a location at:

- [Keep Cape Strong](#) maintains a list of locations within 25 miles of Cape Girardeau.
- [Missouri's Vaccine Finder](#) website can help you find a location anywhere in the state and links to national resources.

We are so close Redhawks. We need everyone to participate so we can reach our goal and enjoy the week of Thanksgiving with our friends and loved ones.

*Go Redhawks!*

Sincerely,

A handwritten signature in black ink, appearing to read "Barlow", written over a horizontal line.
