

OFFICE OF THE **PRESIDENT**

SOUTHEAST MISSOURI STATE UNIVERSITY

Friday, October 30, 2020

Dear Redhawks,

I hope you have been enjoying some of the Spirit Week activities. It is good to see the Redhawk spirit is alive and well.

As we approach our final weeks on campus this semester, I thank you and want to remind you of some important things. Since our in-person activities are limited, I made this video for you.

Thanks again for the daily sacrifices and changes you have made to keep our Redhawk community safe with the [Protect the Nest plan](#). Your efforts are making a difference. Let's work together to remain vigilant.

Sincerely,

A handwritten signature in black ink, appearing to read "Barber", written in a cursive style.
