The Jackson School District will be hosting a substitute teacher training session from 9:30 a.m. to 12 p.m. in Scully 303 on Friday, August 23. Substitute teaching is a great opportunity to gain experience and to have school personnel get to know you. It will increase your teaching skills

In addition, the District will pay attendees \$45 after they have substituted in a district school for one day. A valid substitute certificate is needed in order to sub. If you do not have a sub certificate, please contact Charity Wills at cwills@jr2mail.org or 573-243-9501.

Substitute Teachers Needed

Oran R-III School District needs substitute teachers! Please contact Joe Shoemaker for more information at jshoemaker@oran.k12.mo.us or at (573)262-3345.

Chalk & Wire

An active Chalk & Wire license is required for all courses taken after admission to the Teacher Preparation Program. The license must be purchased from the University bookstore during the first month of the first semester in the program (e.g. Literacy Block and Ped 1 semesters).

Once purchased, the license must be activated. Please refer to this document:

<http://userguide.chalkandwire.com/m/Student>. Chalk & Wire is used in a variety of ways in the Teacher Preparation Program, including field experience assignments. Teacher candidates must have a Chalk & Wire license in order to be assigned to a field experience this semester.

iPad Requirements

Just a reminder---an iPad is required in all education courses. If you need to buy an iPad, you should purchase, at a minimum, a 6th generation iPad (WiFi enabled; 32 gb minimum), however, if you already have an iPad Air, you can use that. The iPad may be purchased from any source. Purchasing from the University Bookstore will provide you the opportunity to use financial aid toward your purchase as well as arrange a payment plan if you wish. If you do decide to purchase from the bookstore, please allow 2-3 business days for shipping. You may contact the University Bookstore at 573-651-2220 or southeast@bkstr.com for any questions. We also recommend checking out Apple's website for back-to-school deals. If you have questions, please contact The EDvolution Team at edvolution@semo.edu.

EDvolution Survey

EDvolution is a signature initiative in our Educator Preparation Program. It's something that makes us unique and—we think—makes our graduates more marketable. However, even the best projects need to be constantly evaluated, and we'd like your help doing that. Please complete this short survey: <https://forms.gle/S9axpiT5P7e7sW798>.

Background Checks

If you are planning to do field work in PreK-12 school buildings during the fall 2019 semester, you are required to have an up-to-date fingerprint background check on file with the Teacher Preparation Program. Field work courses include CE364, CE480, ED280, EL314, EL350, EL430, EL480, EX309, EX480, ME222, ME270, SE355, SE380, SE465, and any other course that requires field work in a school. Background checks obtained for Southeast Missouri State University are valid for up to one year, if obtained prior to September 2018. If a background check was obtained for Southeast Missouri State University after September 2018, it will have no expiration. If so, the application system is currently open. The deadline to apply is **August 29, 2019**. Complete the online application by logging into the Redhawk system here http://cstl-coe.semo.edu/fieldexperiences/new_redhawk/. Every student eligible for student teaching should already be in the system. If you have never logged-in to the Redhawk system you will need to click on "Forgot your Password?" to receive an email to reset your password. Once

you reset your password and log back into the system, click on the "Student Teaching" drop down box on the left side of the screen. Then click on "Application" to apply.

In order to prevent a delay in the processing of your application, you should apply for your substitute certificate by **July 29, 2019**. Follow this link to apply for your substitute certificate:

<https://dese.mo.gov/educator-quality/certification/checklist-substitute-teachers> .

Also, know that you will be required to pass all sections of the Missouri Content Assessment (MoCA) related to your certification area prior to student teaching. Some students in the past were not able to student teach, because they waited too late to take the exam. Start taking the MoCA now so that you will not run out of time. Follow this link to register for the MoCA exams:
