SOUTHEAST MISSOURI STATE UNIVERSITY

FACULTY SENATE BILL 26-A-11

Approved by the Faculty Senate
XXXXXX

BRIEF SUMMARY: This bill amends the *Organization and Government* section on *Vice President for Equity, Access, and Behavioral Health & Dean of Students*.

ACTION OF BILL: Revising the title and description of Vice President for Equity, Access, and Behavioral Health & Dean of Students to match current titles and responsibilities.

WHEREAS: The position listed as Vice President for Equity, Access, and Behavioral Health & Dean of Students has been rewritten as Dean of Students & Title IX Coordinator, and the duties of the former position have been distributed accordingly.

THEREFORE BE IT RESOLVED: The section formerly written as Vice President for Equity, Access, and Behavioral Health & Dean of Students within Chapter 1 of the Faculty Handbook is replaced with Dean of Students & Title IX Coordinator and job responsibilities are updated to reflect this change.

Dean of Students & Title IX Coordinator Position Definition

1 Vice President for Equity, Access, and Behavioral Health & Dean of Students
2
3 The Vice President for Equity, Access, and Behavioral Health & Dean of Students, reporting to
4 the Provost, is the primary advocate for all Southeast Missouri State University students. The
5 dean works collaboratively with faculty, staff, and other administrators to enhance student
6 learning and personal development. Specifically, the dean works to ensure that students
7 understand their responsibilities and rights as members of the academic community. They are
8 responsible for coordinating the University's response to psychological and behavioral crises
9 occurring in the student population. In addition, the dean is responsible for the development,
10 supervision and evaluation of units assigned to the area of Student Professional Development.
11 Currently, these units include the Learning Assistance Programs, the Center for Behavioral
12 Health and Accessibility, Educational Access Programs, Student Support Services, and Student
13 Life Studies. These units provide personal counseling and health services, career counseling and
14 development, academic success skills training and tutoring, accommodations for students with
15 disabilities, and advocacy related to general student concerns. This area also includes programs
16 that provide access to higher education to underserved populations and to integrate student
17 populations historically underrepresented in higher education into the community of scholars at
18 Southeast. Furthermore, the dean is a faculty member in the College of Education and a member

1 of the Council of Deans. They serve on a variety of University and city committees. They also
2 participate as a full member of the Provost's planning team.
