

Daily Lesson Plans (Short Plans)

Name:

Date:

Subject:

Educational Standard:	
Objective: Specific skills that will be learned ("I can" statement):	
Before: Beginning the lesson with review of prior lesson or introduction of new content. The purpose is to get the students thinking and interested in the material you are about to teach.	
During: The meat of the lesson. Include bullet points of what you, your	

co-teacher, and the students will be doing during this time period and materials/resources needed during each portion of the lesson:

After: Wrapping up the lesson by checking for student understanding. The closure to the lesson.
