INVITATION FOR BID 6044 CARPET
AMENDMENT # 1

A. The offeror is hereby notified that Invitation for Bid is amended as follows:

1. Exhibit A: Current Contract Pricing

   Exhibit A was added to show the University's current carpet contract's pricing.

B. The offeror is hereby notified that Request for Proposal is clarified as follows:

2. Tarkett no longer produces ER3 secondary backing and has transitioned to Ethos Modular Backing Technology for its modular carpet products. Would Ethos Modular Backing Technology be acceptable?

   The University will accept this replacement in carpet.

3. What are the specifications necessary for the project, such as style, color, area of application, and cost?

   The University is not looking for a specific style or color. IFB 6044 – Carpet is for a general carpet contract if the University needs to order or replace carpet. At the time of the order, the University would request samples to determine if the product met the necessary requirements.

4. Can you share the estimated annual quantities or prior year spend?

   Unfortunately, this contract is on an as-needed basis. Prior year's data will not be relevant.

5. On page 2, Technical Specifications, Section 4.1 says the contractor covers manufacturer installer certification for university staff if it's needed. Do you expect certification to be required during the initial term, and about how many Facilities employees would need it?

   Yes, we expect certifications will be needed. We would not expect to need more than 6 certificates.

6. Should that be the manufacturer's current published list price, and would you like a copy of the price list included with the bid?

   Yes, the University would like a copy of the price list.

7. On page 4, Technical Specifications, Section 7.7 lists static (AATCC 134) at 3.0 kV or less, while Section 7.8 lists 3.5 kV or less. Which value should bidders meet?

   For the 6' roll goods, please meet (AATCC 134) at 3.0 kV or less.

8. The IFB on the website is labeled revised 10/23/26. What was changed in that revision?

   In that revision, we were making the document more accessible according to ADA regulations. Content was not revised.

C. The IFB terms and conditions will remain the same.

All terms and conditions of Invitation for Bid 6044 remain the same. If you have any questions regarding this information, please contact Holly Craiglow at hcraiglow@semo.edu.

To acknowledge receipt of this amendment, the bidder should complete, sign, and return with the bid response.
