ATHLETIC ACCIDENT INSURANCE

REQUEST FOR PROPOSAL 6042

AMENDMENT # 1

A. The offeror is hereby notified that Request for Proposal is amended as follows:

1. The RFP's deadline has been **extended** by one week to **Thursday, June 04, 2026**.
2. Introduction and General Information, Item 2, Page 3 of RFP 6042

The Hartford is our current insurance carrier. Bob McCloskey Insurance (BMI) is our claims administrator. Academic Health Plans (AHP) is our broker.

3. Claims Experience, Exhibit A, Page 12 of RFP 6042

Exhibit A has been updated to show current numbers and to include a detailed loss report.

4. Exhibit B: Renewal Form

Exhibit B was added to show the upcoming number of participants that will need insurance and list the most frequented medical facilities by our insured participants.

5. Exhibit C: Declaration Page/Policy Documentation

Exhibit C was added to show the University's current policy and corresponding documentation.

B. The offeror is hereby notified that Request for Proposal is clarified as follows:

1. How is the current broker compensated? And how much have they been paid, either as a fee or a percentage of the premium, over the past 4 years?

The University has not paid the broker anything over the past 4 years beyond the administrative fee.

2. Does a portion of the administration fee go to the claim's payer?

Yes, a portion does include payment to the claim's administrator.

3. What were the total paid claims for the 2024-25 policy year as of last spring or summer?

Please see Exhibit A.

4. Can you provide detailed claims reports?

Please see Exhibit A.

5. What are the current numbers of participants that will need insurance outside of the athletes?

Please see Exhibit B for current numbers.

6. Would the University be open to reviewing any viable option?

Yes, the University is open to reviewing any viable option, not just fully insured or aggregate deductible.

7. What medical providers do your athletes see the most? Does SEMO have any direct discount or billing agreements with those entities currently?

Most of our athletes are seen through the Mercy medical system. Mercy Southeast accepts primary and secondary insurance with no additional cost to the institution. Exhibit B lists the most frequently used medical facilities.

8. Please provide a copy of your 2025-26 policy.

Please see Exhibit C.

9. Does SEMO require athletes to have primary insurance to participate?

The University does not require student-athletes to have primary insurance to participate.

10. What does SEMO currently do for athletes that arrive with no valid primary insurance?

The University does not purchase any primary insurance for student-athletes who arrive with no valid primary insurance.

11. What injury tracking software are your athletic trainers using and are they submitting claims through that system?

The University uses the Healthy Roster for our Electronic Medical Record (EMR) in the training room, and it is integrated with Epic for billing.

12. Does SEMO carry any other athletic related policies?

The University does not carry any other athletic-related policies.

13. Is SEMO considering implementing a per injury deductible?

The University would be open to a deductible plan, as we have had one in the past. We made the switch to the current plan because it provided a more affordable plan at the time and helped ensure cost containment.

14. Has the University had to pay repricing fees over the past few years?

Yes, the University has paid repricing fees as part of the claims process in the past.

C. The RFP terms and conditions will remain the same.

All terms and conditions of Request for proposal 6042 remain the same. If you have any questions regarding this information, please contact Holly Craiglow at hcraiglow@semo.edu.

To acknowledge receipt of this amendment, the bidder should complete, sign, and return with the bid response.

The notice should include the Insured Person's name and the Policy Number. Notice should be given to Our agent or sent to Us.

Claim Forms

When We receive the notice of claim, We will send forms to the claimant for giving Us Proof of Loss. The forms will be sent within 10 days after We receive the notice of claim. The written decision will include specific reasons for the decision on which the decision is based.

Physical Examinations and Autopsy

We, at our own expense, shall have the right and opportunity to have:

- 1) a claimant for whom a claim is made examined by a Physician or Medical Professional of Our choice during the pendency of a claim as often as reasonably required; and
- 2) an autopsy conducted for a claimant for whom a claim is made in case of death, where not prohibited by law.

Legal Actions

No legal action may start:

- 1) until 60 days after Proof of Loss has been given; or
- 2) more than 3 years after the time Proof of Loss is required to be given, unless otherwise required by law.

Assignment

This insurance may not be assigned. The Insured Person may not assign any of his or her rights, privileges or benefits under this Policy. Benefit payments may be assigned as allowed in the Payment of Claims provision.

Workers' Compensation Coverage

The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.

GENERAL PROVISIONS

Entire Contract

The entire contract between the Policyholder and Us consists of this Policy and any other papers made a part of this Policy at issue.

Incontestability

The validity of this Policy shall not be contested, except for nonpayment of premium, after it has been in force for two years from the Policy Effective Date.

Statements

All statements made by the Policyholder and persons insured under this Policy will be deemed representations and not warranties. No statement will be used in any contest unless it is in writing, signed by the person making it and a copy of it is given to the person who made it, or, in the event of the death or incapacity of the Insured Person, to the Insured Person's beneficiary or personal representative.

Changes

No agent has authority to change or waive any part of this Policy. To be valid, any change or waiver must be in writing, approved by one of Our officers and made part of this Policy.

Noncompliance with Policy Requirements

Any express waiver by Us of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by Us to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Data Furnished by Policyholder

The Policyholder must maintain adequate records acceptable to Us and provide any information required by Us relating to this insurance, its premium, and any benefits claimed or paid hereunder.

Right to Audit

We will have the right to inspect and audit, at any reasonable time, all records and procedures of the Policyholder that may have a bearing on this insurance, its premium, and any benefits claimed or paid hereunder.

Certificates

If required by the laws of the state where this Policy is delivered, We will give certificates to the Policyholder for delivery to Insured Persons. The certificates will state the features of this Policy which are important to Insured Persons.

Conformity with State and Federal Law

Any provision of the Policy that is contrary to the law of the jurisdiction in which it is delivered or with any other applicable law is amended to meet the minimum requirements of the law.

Right to Receive and Release Needed Information

We have the right to decide what facts We need to administer this Policy. We may get needed facts from, or give them to, any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under this Policy must give Us any facts We need to determine coverage under this Policy or determine the correct payment of a claim.

Facility of Payment and Right to Recovery

If a payment made under another plan includes an amount that should have been paid under this Policy, We may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under this Policy, and We will not have to pay that amount again. If the amount of the payments made by Us is more than it should have paid under this Policy, We may recover the excess from any person(s) to or for whom We have overpaid, including insurance companies or other organizations. If benefits are overpaid, We may recover the amount overpaid by requesting a lump sum payment of the overpaid amount or reducing future benefits payable under this Policy.

New Entrants

This Policy will allow from time to time, that new eligible Insured Persons of the Policyholder be added to the Eligible Class(es) of Insured Persons originally insured under this Policy.

Misstatement of Age

If premiums for the Insured are based on age and the Insured Person has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured Person is insured are based on age and the Insured Person has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. We require satisfactory proof of age before paying any claim.

Clerical Error

Clerical error, whether by the Policyholder or Us, will not void the insurance of any Insured Person if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.
