INVITATION FOR BID 6025**

AMENDMENT#1

A. The offeror is hereby notified that Invitation for Bid 6025 is clarified as follows:

1. Is there a particular lockdown bracket part number or model number required?

- a. Connections would most likely be made to the 1.5” diameter round tubing on the left- and right-hand side seen in the photo. These tubes are 3” from center to ground and 41” between tube centers. The length of each tube that is parallel to the ground is about 33” for reference.**

B. RFP closing date and time remain the same.

All other terms and conditions of Invitation for Bid 6025 remain the same. If you have any questions regarding this information, please contact Holly Craiglow at hcraiglow@semo.edu.

To acknowledge receipt of this amendment, the offeror should complete, sign, and return with the bid response.
