HOW DO 'ADDITIONAL REQUIREMENTS' WORK?
 When you earn additional credits in one or more of the other categories, you can apply these credits to Additional Requirements. UI100 is required for some students (see footnote).

General Education at Southeast Missouri State University prepares students:

to demonstrate the moral and ethical values of a diverse society

to locate, organize, evaluate, and synthesize information from various sources

to communicate effectively through various channels and systems

to demonstrate critical and creative thinking, quantitative literacy, and problem-solving
