Average amount of each freshman scholarship/grant package:

3,392

Average amount of each freshman loan package:

4,469

Please provide the percentage of students receiving ANY financial aid (need-based, merit-based, gift aid, etc.):

Freshmen:

89

%

All undergraduates:

83

%

Highest individual amount an undergraduate earned per year from part-time on-campus work (2017-2018) (not including Federal Work-Study Program):

12,645

Average amount an undergraduate earned per year from part-time on-campus work (2017-2018) (not including Federal Work-Study Program):

2,044

Do you participate in the Federal Work-Study Program (FWS)?:

Yes

Is institutional employment, other than FWS, available?

Yes

Review Data Set Form E: Financial Aid

Merit Aid

Merit aid for the purposes of the following questions is defined as grants or scholarships awarded based on academic achievements (GPA, academic interests, standardized test scores, field of study). Aid granted for athletic or artistic reasons should not be counted. The full sum of merit aid should be counted, even if it some or all of the award was used to meet demonstrated need.

Do not include partial test scores (e.g. mathematics scores but not critical reading for a category of students) or combine other standardized test results (such as TOEFL) in this item. Do not convert SAT scores to ACT scores and vice versa. Do convert Old SAT scores (2016) to New SAT scores using the [College Board's concordance tools and tables](#).

How much merit aid did your school award last year in total to its degree-seeking undergrads?

What percentage of the merit aid your school awards is contingent upon standardized test scores (in part or wholly)?

 %

What is the average award (per student) contingent upon standardized test scores (in part or wholly)?

What is the minimum SAT/ACT score required to qualify for merit aid?

SAT:

ACT:

Name the scholarships your school offers that have a standardized test component

Green Campus Questions

The Princeton Review is pleased to continue its partnership with the Association for the Advancement of Sustainability in Higher Education (AASHE) to streamline the reporting process for institutions that choose to participate in various higher education sustainability assessments. The intent of this initiative is to reduce and streamline the amount of time campus staff spend tracking sustainability data and completing related surveys. The Princeton Review will accept data submitted via the STARS Reporting Tool or data submitted

directly through our own Review Data Set Form F: Student Life below.

****Note that data submitted below will not be shared with any other organization and will be used exclusively by The Princeton Review.**

The STARS Reporting Tool is available to users now and located here:

<https://stars.aashe.org/pages/register/register-stars.html>

The form below is a copy of the STARS 1.2 form. You can refer to the manual here for guidance on timelines and definitions.

2018-19 DATA IS DUE TO THE PRINCETON REVIEW VIA EITHER TOOL BY MARCH 1ST, 2019

How will your institution submit the green campus section of the survey?

- Please check here if your institution will submit data to The Princeton Review via the STARS Reporting Tool located on AASHE's website.
- Please check here if your institution will submit data to The Princeton Review via the form below.

CURRICULUM

ER-9: Sustainability Learning Outcomes

Criteria

Institution's students graduate from programs that include sustainability as a required learning outcome or include multiple sustainability learning outcomes.

For this credit, learning outcomes at the course level count if the course is required to earn the degree. This credit includes graduate as well as undergraduate programs. For this credit, "programs" include majors, minors, concentrations, certificates, and other academic designations. Programs that include co-curricular aspects may count as long as there is an academic component of the program.

The number of graduates covered by the sustainability learning outcomes

Total number of graduates

A list of degree programs that have sustainability learning outcomes

The website URL where the inventory is posted or a copy of the inventory may be provided instead of this list if the inventory includes the relevant information.

The website URL where the publicly available sustainability course inventory that includes a list of degree programs that have specified sustainability learning outcomes is available

A list or sample of the sustainability learning outcomes associated with the degree programs

ER-10: Undergraduate Program in Sustainability

Criteria

Institution offers at least one sustainability-focused undergraduate major, degree program, or equivalent.

The degree program does not have to include sustainability in its name to count for this credit. Environmental Studies programs, for example, count as long as the program covers the social, economic, and environmental dimensions of sustainability. A program that focuses exclusively on environmental or social issues, however, would not be sufficient to earn this credit.

Concentrations within a major (e.g. a concentration on sustainable business within the business major) do not count for this credit.

Does the institution offer an undergraduate degree program that meets the criteria for this credit?

The name of the sustainability-focused, undergraduate degree program (1st program)

The website URL for the program (1st program)

The name of the sustainability-focused, undergraduate degree program (2nd program)

The website URL for the program (2nd program)

The name of the sustainability-focused, undergraduate degree program (3rd program)

The website URL for the program (3rd program)

The name and website URLs of all other sustainability-focused, undergraduate degree program(s)

RESEARCH

ER-16: Faculty Engaged in Sustainability Research

Criteria

Institution's faculty members conduct research on sustainability topics.

Any level of sustainability research by a faculty member is sufficient to be included for this credit. In other words, a faculty member who conducts both sustainability research and other research may be included.

The number of faculty members engaged in sustainability research

The total number of faculty members engaged in research

Names and department affiliations of faculty engaged in sustainability research

The website URL where the inventory is posted or a copy of the inventory may be provided instead of this list if the inventory includes the relevant information.

The website URL where the sustainability research inventory that includes the names and department affiliations of faculty engaged in sustainability research is posted

Brief descriptions of up to 4 recent notable accomplishments by faculty engaged in sustainability research, including names and department affiliations

The website URL where information about sustainability research is available

ER-18: Sustainability Research Incentives

Criteria

Part 1

Institution has an ongoing program to encourage students in multiple disciplines or academic programs to conduct research in sustainability. The program provides students with incentives to research sustainability. Such incentives may include, but are not limited to, fellowships, financial support, and mentorships.

Part 2

Institution has an ongoing program to encourage faculty from multiple disciplines or academic programs to conduct research in sustainability topics. The program provides faculty with incentives to research sustainability. Such incentives may include, but are not limited to, fellowships, financial support, and faculty development workshops.

Does the institution have a program to encourage student sustainability research that meets the criteria for this credit?

Select...

BUILDINGS

OP-1: Building Operations and Maintenance

Criteria

Institution owns and operates buildings that are:

1) Certified under the LEED® for Existing Buildings: Operations & Maintenance (O&M) Green Building Rating System,

and/or

2) Operated and maintained in accordance with sustainable operations and maintenance guidelines and policies that cover the following:

Impacts on the surrounding site

Energy consumption

Usage of environmentally preferable materials

Indoor environmental quality

Water consumption

Please use Gross Floor Area.

Gross Floor Area

Consistent with the American Society of Heating, Refrigerating and Air- Conditioning Engineers (ASHRAE) and the U.S. Green Building Council (USGBC), we define gross floor area as: “Sum of the floor areas of the spaces within the building, including basements, mezzanine and intermediate-floored tiers, and penthouses with headroom height of 7.5 ft (2.2 meters) or greater. It is measured from the exterior faces of exterior walls or from the centerline of walls separating buildings, or (for LEED CI certifying spaces) from the centerline of walls separating spaces. Excludes non-enclosed (or non-enclosable) roofed-over areas such as exterior covered walkways, porches, terraces or steps, roof overhangs, and similar features. Excludes air shafts, pipe trenches, and chimneys.

Building space that is maintained in accordance with sustainable building operations and maintenance guidelines or policies but is NOT certified under LEED for Existing Buildings: O&M

Square Feet

Building space that is LEED for Existing Buildings: O&M Certified

Square Feet

Building space that is LEED for Existing Buildings: O&M Silver certified

Square Feet

Building space that is LEED for Existing Buildings: O&M Gold certified

Square Feet

Building space that is LEED for Existing Buildings: O&M Platinum certified

Square Feet

The website URL where a copy of the institution's guidelines or policies for sustainable building operations and maintenance is available

A brief description of how the institution ensures compliance with sustainable building operation and maintenance guidelines and policies

The names and certification levels of all buildings that are certified under LEED for Existing Buildings: O&M

The names of all buildings operated and maintained in accordance with similar sustainable operations and maintenance guidelines and policies

OP-2: Building Design and Construction

Criteria

Institution-owned buildings that were constructed or underwent major renovations in the past three years are:

1) Certified under the LEED® for New Construction and Major Renovations, LEED for Commercial Interiors, and/or LEED for Core and Shell Green Building Rating Systems,

and/or

2) Designed and built in accordance with green building guidelines and policies that cover the following topics:

Impacts on the surrounding site

Energy consumption

Usage of environmentally preferable materials

Indoor environmental quality

Water consumption

New building space that meets "Eligible Buildings Criteria"

	Square Feet
--	-------------

Please use Gross Floor Area.

New building space that was designed and constructed in accordance with green building policies or guidelines but not LEED certified

	Square Feet
--	-------------

New building space that is LEED Certified

	Square Feet
--	-------------

New building space that is LEED Silver certified

	Square Feet
--	-------------

New building space that is LEED Gold certified

	Square Feet

--

The names of all buildings designed and constructed in accordance with green building guidelines and policies but not LEED certified

--

OP-3: Indoor Air Quality

Criteria

Institution has adopted an indoor air quality management policy, plan, and/or practices that include regular auditing or monitoring and a mechanism for occupants to register complaints. Policies and plans adopted by entities of which the institution is part (e.g. state government or the university system) may count for this credit as long as the policies apply to and are followed by the institution.

Occupied building space covered by an indoor air quality plan, policy, and/or practices that include regular auditing or monitoring and a mechanism for occupants to register complaints

	Square Feet
--	-------------

Total occupied building space

	Square Feet
--	-------------

CLIMATE

OP-4: Greenhouse Gas Emissions Inventory

Criteria

Part 1

Institution has conducted a GHG emissions inventory covering its Scope 1 and Scope 2 emissions. The GHG emissions inventory is publicly available, either through the American College & University Presidents' Climate Commitment reporting site, the institution's website, or another public website.

Part 2

Institution has conducted a GHG emissions inventory covering Scope 3 emissions. The GHG emissions inventory is publicly available, either through the American College & University Presidents' Climate Commitment reporting site, the institution's website, or another public website.

The website URL where the GHG emissions inventory is posted

Does the inventory include all Scope 1 and 2 emissions?

Select...

Scope 1 Emissions

Scope 1 emissions are direct GHG emissions occurring from sources that are owned or controlled by the institution. Scope 1 emission sources include:

- **Combustion of fuels to produce electricity, steam, heat, or power using equipment in a fixed location such as boilers, burners, heaters, furnaces, incinerators**
- **Combustion fuels by institution-owned cars, tractors, buses, and other transportation devices**

Scope 2 Emissions

Scope 2 emissions are indirect GHG emissions that are a consequence of activities that take place within the organizational boundaries of the institution, but that occur at sources owned or controlled by another entity. Scope 2 emission sources include:

- **Purchased electricity**
- **Purchased heating**
- **Purchased cooling**
- **Purchased steam**

Does the inventory include emissions from air travel?

Select...

Does the inventory include emissions from commuting?

Select...

Does the inventory include embodied emissions from food purchases?

Select...

Does the inventory include embodied emissions from other purchased products?

Select...

Does the inventory include emissions from solid waste disposal?

Select...

Does the inventory include another Scope 3 emissions source not covered above?

Select...

Scope 3 emissions are all indirect emissions not covered in Scope 2. Scope 3 emission sources include:

- **Air travel**
- **Commuting**
- **Extraction, production, and transportation of purchased materials and fuels, including food**
- **Outsourced activities**
- **Solid waste disposal**

Does the inventory include a second Scope 3 emissions source not covered above?

Select...

Does the inventory include a third Scope 3 emissions source not covered above?

Select...

Does the inventory include a fourth Scope 3 emissions source not covered above?

Select...

ENERGY

OP-8: Clean and Renewable Energy

Criteria

Institution supports the development and use of clean and renewable energy sources using any one or combination of the following options.

Option 1: Generating electricity from clean and renewable energy sources on campus and retaining or retiring the rights to the environmental attributes of such electricity. (In other words, if the institution has sold Renewable Energy Credits for the clean and renewable energy it generated, it may not claim such energy here). The on-site renewable energy generating devices may be owned and/or maintained by another party as long as the institution has contractual rights to the associated environmental attributes.

Option 2: Using renewable sources for non-electric, on-site energy generation, such as biomass for heating.

Option 3: Catalyzing the development of off-site clean and renewable energy sources (e.g. an off-campus wind farm that was designed and built to supply electricity to the institution) and retaining the environmental attributes of that energy.

Option 4: Purchasing the environmental attributes of electricity in the form of Renewable Energy Certificates (RECs) or other similar renewable energy products that are either Green-e Energy certified or meet Green-e Energy's technical requirements and are verified as such by a third party, or purchasing renewable electricity through the institution's electric utility through a certified green power purchasing option.

Option 5: Using cogeneration technologies to generate electricity more efficiently. Note: generating electricity using cogeneration technology and a renewable fuel, such as biomass, is considered Option 1 and should not be counted twice.

Since this credit is intended to recognize institutions that are generating new sources of clean and renewable energy, neither the electric grid mix for the region in which the institution is located nor the grid mix reported by the electric utility that serves the institution count for this credit.

Technologies that reduce the amount of energy used but do not generate renewable energy do not count for this credit. For example, daylighting, passive solar design, and ground-

source heat pumps are not counted in this credit. The benefits of such strategies are captured by OP Credit 5: Greenhouse Gas Emissions Reductions and OP Credit 7: Building Energy Consumption.

Transportation fuels, which are covered by OP Credit 14: Campus Fleet, are not included in this credit.

To aggregate energy consumption data from multiple sources, figures should be converted into MMBtu (one million British thermal units – a standard measure of energy) using the following equivalents:

1 kWh = 0.003412 MMBtu

1 MWh = 3.412 MMBtu

1 therm = 0.1 MMBtu

1 kBtu = 0.001 MMBtu

1 ton-hour = 0.012 MMBtu

1 MJ = 0.000948 MMBTU

Option 1: Total clean and renewable electricity generated on site during the performance year and for which the institution retains or has retired the associated environmental attributes

MMBtu

Option 2: Non-electric renewable energy generated

MMBtu

Option 3: Total clean and renewable electricity generated by off-site projects that the institution catalyzed and for which the institution retains or has retired the associated environmental attributes

MMBtu

Option 4: Total RECs and other similar renewable energy products that the institution purchased during the performance year that are Green-e certified or meet the Green-e standard's technical requirements and are third party verified

MMBtu

Option 5: Total electricity generated with cogeneration technology using non-renewable fuel sources

MMBtu

Total energy consumed during the performance year

MMBtu

A brief description of on-site renewable electricity generating devices

A brief description of on-site renewable non-electric energy

devices

A brief description of off-site, institution-catalyzed, renewable electricity generating devices

A brief description of RECs or other similar renewable energy products purchased during the previous year, including contract timeframes

A brief description of cogeneration technologies deployed

The website URL where information about the institution's renewable energy sources is available

OP-T2-18: Energy Metering

Criteria

Institution meters all energy consumption (including electricity, natural gas, purchased steam) for at least one building.

Does the institution meter all energy consumption (electricity, natural gas, purchased steam, etc.) for at least one building?

A brief description of the metering system

The percentage of building space with energy metering

%

The website URL where information about the metering system is available

GROUNDSD

OP-9: Integrated Pest Management

Criteria

Institution's grounds are developed and maintained in accordance with an integrated pest management plan that adheres to the following four-tiered approach:

- 1) Set action thresholds**
- 2) Monitor and identify pests**
- 3) Prevention**
- 4) Control**

The size of the campus grounds

Acres

The size of campus grounds that are maintained in accordance with a four-tiered IPM plan

Acres

A brief description of the IPM plan(s)

The website URL where information about the IPM plan(s) is available

PURCHASING

OP-10: Computer Purchasing

Criteria

Institution has an institution-wide stated preference to purchase Electronic Product Environmental Assessment Tool (EPEAT) Silver or higher products. This can take the form of purchasing policies, guidelines, or directives. This credit does not include specialized computers for which no EPEAT certified products are available. Policies and directives adopted by entities of which the institution is part (e.g. state government or the university system) may count for this credit as long as the policies apply to and are followed by the institution.

Does the institution have an institution-wide stated preference to purchase EPEAT Silver or higher computers and monitors?

The website URL where the EPEAT policy, directive, or guidelines are posted

A brief description of steps the institution has taken to ensure that the purchasing policy, directives, or guidelines are followed

OP-11: Cleaning Products Purchasing

Criteria

Part 1

Institution has an institution-wide stated preference to purchase Green Seal™ or EcoLogo™ certified cleaning products. The stated preference can take the form of purchasing policies, guidelines, or directives to purchase green cleaning products. Policies and directives adopted by entities of which the institution is part (e.g. state government or the university system) may count for this credit as long as the policies apply to and are followed by the institution.

Part 2

Institution's main cleaning or housekeeping department(s) and/or contractor(s) purchase Green Seal or EcoLogo certified cleaning products. This credit does not include cleaning products for which no Green Seal or EcoLogo certified products are available.

Does the institution have an institution-wide stated preference to purchase Green Seal (tm) or EcoLogo (tm) certified cleaning products?

Select...

The website URL where the green cleaning product purchasing policy, directive, or guidelines are posted

A brief description of steps the institution has taken to ensure that the purchasing policy, directives, or guidelines are followed

Expenditures on Green Seal and/or EcoLogo certified cleaning products

\$

OP-12: Office Paper Purchasing

Criteria

Institution has an institution-wide stated preference to purchase recycled content office paper. This can take the form of purchasing policies, guidelines, or directives to purchase recycled content office paper. Policies and directives adopted by entities of which the institution is part (e.g. state government or the university system) may count for this credit as long as the policies apply to and are followed by the institution.

Does the institution have an institution-wide stated preference to purchase recycled content office paper?

Select...

The URL where the recycled paper policy, directive, or guidelines are posted

A brief description of steps the institution has taken to ensure that the purchasing policy, directives, or guidelines are followed

TRANSPORTATION

OP-14: Campus Fleet

Criteria

Institution supports alternative fuel and power technology by including in its motorized vehicle fleet (cars, trucks, tractors, buses) vehicles that are:

Gasoline-electric hybrid

Diesel-electric hybrid

Plug-in hybrid

100 percent electric

Fueled with Compressed Natural Gas (CNG)

Hydrogen fueled

Fueled with B20 or higher biofuel for more than 6 months of the year; and/or

Fueled with E85 or higher ethanol for more than 6 months of the year.

For this credit, the institution's motorized fleet includes all institution-owned and operated vehicles that are used for transporting people and/or goods. Heavy construction equipment (e.g. excavators and pavers) and maintenance equipment (e.g. lawn-mowers and leaf blowers) are not included in this credit.

Gasoline-electric, non-plug-in hybrid vehicles in the institution's fleet

Diesel-electric, non-plug-in hybrid vehicles in the institution's fleet

Plug-in hybrid vehicles in the institution's fleet

100 percent electric vehicles in the institution's fleet

Vehicles in the institution's fleet that are fueled with Compressed Natural Gas (CNG)

Hydrogen fueled vehicles in the institution's fleet

Vehicles in the institution's fleet that are fueled with B20 or higher biofuel for more than 6 months of the year

Vehicles in the institution's fleet that are fueled with E85 or higher ethanol for more than 6 months of the year

Total number of vehicles in the institution's fleet, including all of the above

OP-15: Student Commute Modal Split

Criteria

Institution's students commute to and from campus using more sustainable options such as walking, bicycling, vanpooling or carpooling, taking public transportation, riding motorcycles or scooters, riding a campus shuttle, or a combination of these options. Students who live on campus should be included in the calculation based on how they get to and from their classes.

The percentage (0-100) of institution's students who use more sustainable commuting options

%

The percentage (0-100) of institution's students who commute with only the driver in the vehicle (excluding motorcycles and scooters) as their primary method of transportation

%

The percentage (0-100) of institution's students who walk, bicycle, or use other non-motorized means as their primary method of transportation. Please note that this may include on-campus residents

%

The percentage (0-100) of institution's students who vanpool or carpool as their primary method of transportation

%

The percentage (0-100) of institution's students who take a campus shuttle or public transportation as their primary method of transportation

%

The percentage (0-100) of institution's students who use a motorcycle, scooter or moped as their primary method of transportation

%

The website URL where information about alternative transportation is available

OP-16: Employee Commute Modal Split

Criteria

Institution's employees (faculty, staff, and administrators) commute to and from campus using more sustainable options such as walking, bicycling, vanpooling or carpooling, taking public transportation, riding motorcycles or scooters, riding a campus shuttle, or a combination of these options. Employees who live on campus should be included in the calculation based on how they get to and from their workplace.

The percentage (0-100) of institution's employees that use more sustainable commuting options

%

The percentage (0-100) of institution's employees who commute with only the driver in the vehicle (excluding motorcycles and scooters) as their primary method of transportation

 %

The percentage (0-100) of institution's employees who walk, bicycle, or use other non-motorized means as their primary method of transportation. Please note that this may include on-campus residents

 %

The percentage (0-100) of institution's employees who vanpool or carpool as their primary method of transportation

 %

The percentage (0-100) of institution's employees who take a campus shuttle or public transportation as their primary method of transportation

 %

The percentage (0-100) of institution's employees who use a motorcycle, scooter, or moped as their primary method of transportation

 %

The website URL where information about alternative transportation is available

OP-T2-26: Bicycle Sharing

Criteria

Institution has a bicycle-sharing program or participates in a local bicycle-sharing program.

Does the institution have a bicycle-sharing program or participate in a local bicycle-sharing program?

A brief description of the program, including an indication of its scope (e.g., the number of bicycles the program makes available, participation levels, etc.)

The website URL where information about the program, policy, or practice is available

OP-T2-27: Facilities for Bicyclists

Criteria

Institution has indoor and secure bike storage, shower facilities, and lockers for bicycle commuters in at least one building. Storing bicycles in office space does not count for this credit.

Does the institution have indoor and secure bike storage, shower facilities, and lockers for bicycle commuters in at

least one building?

A brief description of the facilities

The website URL where information about the program, policy, or practice is available

OP-T2-28: Bicycle and Pedestrian Plan

Criteria

Institution has developed a plan(s) to make the campus more bicycle and pedestrian friendly. The plan(s) may be a part of the institution's master plan.

Has the institution developed a bicycle plan?

Select...

A brief description of the plan

The website URL where information about the plan is available

OP-T2-29: Mass Transit Programs

Criteria

Institution offers free or reduced price transit passes and/or operates a free campus shuttle. The Transit passes may be offered by the institution itself, through the larger university system of which the institution is a part, or through a regional program provided by a government agency. The institution must be the entity making the passes available to its community members.

Does the institution offer free or reduced price transit passes and/or operate a free campus shuttle?

Select...

A brief description of the program(s), (s), including availability, participation levels, and specifics about discounts or subsidies offered (including pre-tax options)

The website URL where information about the program is available

OP-T2-30: Condensed Work Week

Criteria

Institution offers a condensed work week option for employees. The institution does not have to offer the option to all employees in order to earn this credit.

Does the institution offer a condensed work week option for employees? The institution does not have to offer the option to all employees in order to earn this credit.

Select...

A brief description of the program

The website URL where information about the program is available

OP-T2-31: Telecommuting

Criteria

Institution offers a telecommute program for employees.

Does the institution offer a telecommute program for employees?

Select...

A brief description of the program

The website URL where information about the program is available

OP-T2-32: Carpool/Vanpool Matching

Criteria

Institution participates in a carpool/vanpool matching program.

Does the institution participate in a carpool/vanpool matching program?

Select...

A brief description of the program

The website URL where information about the program is available

OP-T2-33: Cash-out of Parking

Criteria

Institution allows commuters to cash out of parking spaces (i.e. it provides financial compensation to employees who do not drive to work).

Does the institution allow commuters to cash out of parking spaces (i.e., it pays employees who do not drive to work)?

Select...

A brief description of the program

The website URL where information about the program is available

OP-T2-34: Carpool Discount

Criteria

Institution offers reduced parking fees for car and van poolers.

Does the institution offer reduced parking fees for car and van poolers?

Select...

A brief description of the program

The website URL where information about the program is available

OP-T2-35: Local Housing

Criteria

Institution has incentives or programs to encourage employees to live close to campus.

Does the institution have incentives or programs to encourage employees to live close to campus?

Select...

A brief description of the incentives or programs

The website URL where information about the incentives or programs is available

OP-T2-36: Prohibiting Idling

Criteria

Institution has adopted a policy prohibiting idling.

Has the institution adopted a policy prohibiting idling?

Select...

A brief description of the policy

The website URL where information about the policy is available

OP-T2-37: Car Sharing

Criteria

Institution participates in a car sharing program, such as a commercial car-sharing program, one administered by the institution, or one administered by a regional organization.

Does the institution participate in a car sharing program, such as ZipCar or HourCar?

Select...

A brief description of the program

The website URL where information about the program, policy, or practice is available

WASTE

OP-18: Waste Diversion

Criteria

Institution diverts materials from the landfill or incinerator by recycling, composting, reusing, donating, or re-selling.

This credit does not include construction, demolition, electronic, hazardous, special (e.g. coal ash), universal and non-regulated chemical waste, which are covered in OP Credit 19: Construction and Demolition Waste Diversion, OP Credit 20: Electronic Waste Recycling Program, and OP Credit 21: Hazardous Materials Management.

Materials recycled, composted, reused, donated, re-sold, or otherwise diverted

Tons

Materials disposed in a solid waste landfill or incinerator

Tons

A brief description of programs, policies, infrastructure investments, outreach efforts, and/or other factors that contributed to the diversion rate

DINING SERVICES

OP-6: Food and Beverage Purchasing

Criteria

This credit includes food and beverage purchases for on-campus dining services operated by the institution or the institution's primary on-site contractor. Institution purchases food and beverages that meet at least one of the following criteria:

Grown and processed within 250 miles of the institution

Third-party certified (USDA Certified Organic, Marine Stewardship Council Blue Ecolabel, Food Alliance, Fair Trade, Certified Humane Raised and Handled)

Food and beverage purchases that meet multiple criteria listed above should not be double-counted.

This credit includes food and beverage purchases for on-campus dining operations and catering services operated by the institution or the institution's primary dining services contractor (e.g. Aramark, Bon Appétit Management Company, Chartwells, Sodexo). On-site franchises, convenience stores, vending machines, or concessions are excluded from this credit unless they are operated by the institution or the institution's primary on-site contractor.

Percentage of food expenditures that meet one or more of the criteria for this credit (0 - 100)

%

A brief description of the sustainable food and beverage purchasing program

The Website URL where information about the institution's sustainable food and beverage purchasing efforts is available.

OP-T2-4: Vegan Dining

Criteria

Institution offers diverse, complete-protein vegan dining options during every meal. This credit includes on-campus dining services operated by the institution or the institution's primary dining services contractor. (On-site franchises, convenience stores, vending machines, and concessions are excluded from this credit.)

Does the institution offer diverse, complete-protein vegan dining options during every meal?

Select...

A brief description of the vegan dining program

The website URL where information about the program, policy, or practice is available

COORDINATION AND PLANNING

PAE-1: Sustainability Coordination

Criteria

Institution has a sustainability committee, office, and/or coordinator that are tasked by the administration or board of trustees to advise on and implement policies and programs related to sustainability on campus.

The committee, office, and/or coordinator focus on sustainability broadly (i.e. not just one sustainability issue, such as climate change) and cover the entire institution. A committee, office, or coordinator that focuses on just one department or school within the institution does not count for this credit.

Does the institution have a sustainability committee?

Select...

The charter or mission statement of the committee or a brief description of the committee's purview and activities

Members of the committee, including affiliations

The website URL where information about the sustainability committee is available

Does the institution have a sustainability office?

A brief description of the sustainability office

The number of people employed in the sustainability office

The website URL where information about the sustainability office is available

Does the institution have a sustainability coordinator?

Sustainability coordinator's name

Sustainability coordinator's position title

A brief description of the sustainability coordinator's position

The website URL where information about the sustainability coordinator is available

PAE-5: Climate Action Plan

Criteria

Institution has a formal plan to mitigate its greenhouse gas emissions. The plan includes a measurable, numerical goal or goals and a corresponding date or dates by which the institution aims to achieve its goal(s). The plan has been adopted by the institution's administration.

A formal sustainability plan (i.e. a plan that has been adopted by the administration) counts for this credit if it includes climate change goals, strategies, and corresponding timeframes. Such a plan may also count toward PAE Credit 4: Sustainability Plan.

Does the institution have a plan to mitigate its greenhouse gas emissions that meets the criteria for this credit?

A brief summary of the climate plan's long-term goals

A brief summary of the climate plan's short-term goals

Year the climate plan was formally adopted or approved

An indication of whether institution has made a commitment to reduce GHG emissions a specific amount by a target year

List which emissions (scope 1, 2, and/or 3) are included in its GHG emissions commitment

The reduction level (percentage) institution has committed to

The baseline year the institution used in its GHG emissions commitment
(MM/DD/YYYY)

The baseline emissions level institution used in its GHG emissions commitment

The target year the institution specified in its GHG emissions commitment
(MM/DD/YYYY)

The website URL where information about the climate plan is available

INVESTMENT

PAE-16: Committee on Investor Responsibility

Criteria

Institution has a formally established and active CIR or similar body that makes recommendations to the Board of Trustees on socially and environmentally responsible investment opportunities across asset classes, including proxy voting. The body has multi-stakeholder representation, which means its membership includes faculty, staff, and students and may include alumni, trustees, and/or other parties.

Institutions for which investments are handled by the university system and/or a separate foundation of the institution should report on the investment policies and activities of those

entities.

A general committee that oversees the institution's investments does not count for this credit unless social and environmental responsibility is an explicit part of its mission and/or agenda.

Does the institution have a committee on investor responsibility or similar body that meets the criteria for this credit?

Select...

The charter or mission statement of the CIR or other body, which reflects social and environmental concerns, or a brief description of how the CIR is tasked to address social and environmental concerns

Members of the CIR, including affiliations

Recent examples (within the past 3 years) of CIR actions

The website URL where information about the committee is available

Princeton Review's Supplemental Data Fields

The below data fields are not contained within the CSDC. These fields are for editorial and not rating purposes.

Please list your school's top three undertakings that represent your environmental commitment.

Does your school's career center provide active and substantive guidance on green jobs?

Select...

Please elaborate here:

Does your school have a sexual assault/rape crisis center?

Yes

Review Data Set Form G: Campus Safety

Education, Awareness, and Prevention of Sexual Assault

Information provided should be for the latest 12 month period for which data is available

Please provide a URL to the page outlining programs and resources designed around education, awareness, and prevention of sexual assault on your campus:

www.semo.edu/ucs/violence-prevention/

Does your institution provide a program or programs addressing one or more of the following issues: **1.** education, **2.** awareness, and/or **3.** prevention of sexual assault

Yes

The delivery method for the programs included above could best be described as:

A mix of in-person and online activities

If available and applicable, how many hours of participation are required for each mode for the programs included above?

Which best describes the population participating in the programs included above?

- Require all incoming first year students
- Require all incoming transfer students
- Require all returning students
- Voluntary basis
- Specific populations

Please provide for each program you included in the above questions, if available:

1. (Name of program); (Brief description of program); (URL)
- 2....

Campus Violence Prevention Program in participation with First Step, Transfer & International Student Presentations and UI100 courses.
www.semo.edu/ucs/violence-prevention/

Does your school directly sponsor a program created around [bystander intervention](#) ?

Yes

If available, please provide a URL where your bystander intervention program is explained.

www.semo.edu/stuconduct/intervention.html

Does your school have a policy regarding affirmative consent between members of the campus community? (Please include policies created by state law, consortium or system rules, or mandated in the code of conduct for your institution)

Yes

If available, please provide a URL where your affirmative consent policy is explained.

www.semo.edu/pdf/stuconduct-sexual-assault.pdf

What awareness campaigns take place on your campus?

- Take Back the Night
- V-Day
- Greeks Against Sexual Assault
- Silent Witness Project
- The Clothesline Project
- The Red Flag Campaign

Please list and describe any campaigns to raise awareness of issues of sexual assault that have occurred on your campus in the previous 12 months:

In addition to those listed above, CVP collaborated with peer educators to host an event on positive sexuality called Sex in the UC, engaged students in dialogue, passed out 1200 condoms and had 30 students participate in STI/D testing. To celebrate Men's History Month, CVP held a "Take Back the Night" event.

Review Data Set Form G: Campus Safety

Information provided should be for the latest 12 month period for which data is available

1. What percentage of your student housing sleeping rooms are protected by an automatic fire sprinkler system with a fire sprinkler head located in the individual sleeping rooms? NOTE: A student housing sleeping room is defined as the actual room in which the occupants live and sleep.

85

%

Student housing can include typical residence halls, graduate student housing, married student housing or any housing that is under the control or affiliated with the school, such as private, third-party residence halls built under contract with the school. This does not include Greek housing.

2. What percentage of your student housing sleeping rooms are equipped with a smoke detector that is connected to a supervised fire alarm system?

76

%

NOTE: When the smoke alarm/detector is activated it must transmit a signal to a supervised location, initiating an immediate response by a staff member to investigate. This alarm does not necessarily activate the building fire alarm system.

3. How many malicious fire alarms occur in student housing per year?

2

NOTE: A malicious fire alarm would be defined as one where a building's fire alarm system is activated even though it is known that there is no emergency condition. For example, someone blows smoke into a smoke detector or a manual pull station is activated.

4. How many unwanted fire alarms occur in student housing per year?

34

NOTE: An unwanted fire alarm would be defined as one where a building's fire alarm system is activated by non-emergency conditions, yet the fire alarm system responds appropriately to stimuli that it interprets as a fire condition. For example, a smoke alarm that is located too close to a shower and is activated by steam, or is adjacent to a cooking area.

5. What percentage of student housing building fire alarm systems, if activated, result in a signal being transmitted to a monitored location, and security investigates before notifying the fire department?

0

%

6. What percentage of student housing building fire alarm systems, if activated, result in a signal being transmitted immediately to the fire department so they can begin responding?

100

%

7. How many students are trained in fire safety in campus provided housing each semester?

2,700

8. What percentage of RAs and housing directors receive fire safety training?

100

NOTE: For purposes of this question, housing staff will include only personnel such as resident assistants and/or resident directors who live in student housing.

9. How many contact hours of fire safety training is provided to students not living in student housing (i.e., off-campus, including Greek)?

0

NOTE: This will not include fire safety training provided to specialties such as laboratory assistants. This must be actual training with contact time and not include simply handing out brochures, fire safety articles in the student newspaper, etc. An example of contact hours would include fire extinguisher training that is provided to 30 students in one hour which would equal 30 contact hours.

10. How many regularly scheduled, supervised exit drills are held per year in student housing?

19

11. How many fires did your school experience last year in student housing?

0

NOTE: A fire must result in damage to the structure or contents.

12. What is the dollar loss related to fire that has occurred on your campus in residential housing?

0

NOTE: Dollar loss is direct property damage to the structure and contents and does not include costs such as alternative housing, staff response, etc

13. How many students have been injured by fires in student housing?

0

14. How many students have been killed by fires in student housing?

0

15. Does your school ban any of the following items or activities in student housing sleeping rooms?

NOTE: The "cooking" option excludes cooking done with school-approved/supplied appliances or in school-approved areas, such as kitchens.

- candles
- halogen lamps
- smoking
- cooking
- live christmas trees
- ceiling tapestries
- Other (please specify)

If you selected Other please specify:

cookers; toaster ovens; sandwich makers; grills

16. Does your school require fire-resistance ratings on furniture (including, but not limited to, beds, mattresses, desks, and chairs) in student housing sleeping rooms?

Yes

17. Does your school require that furnishings brought in by the students have fire-resistance ratings?

No

18. How often are fire safety rules-compliance inspections conducted in your school's student housing?

4 times a year

NOTE: This refers to regularly scheduled, in-room inspections conducted by an inspector or trained individual who is knowledgeable about fire safety issues. It does not refer to a security officer making regular rounds. ALL of the rooms must be inspected during these inspections and checked for hazards.

PLEASE NOTE THE FOLLOWING:

1) Saving the form does not Lock it. You may return at any time to make changes or update your data.

2) Once saved, your data is published directly to our website, usually within 48 hours. No final "Submit" button or procedure is necessary.

I certify that the data contained in this form are accurate, correct, and up-to-date.
