

SEMO Information Technology Service Agreement

By electronically signing this statement, I understand and authorize Southeast Missouri State Information Technology (IT) Support Staff to perform physical computer support and assistance on any and all personal computer equipment and files.

Further, I agree to indemnify all IT Support Staff and Southeast Missouri State University from any and all liability, loss, or damage that may arise from any and all assistance provided. This would include, but is not limited to, any physical or logical loss of data, or loss and/or damage to hardware or software resulting from any request for assistance.

Should I refuse to sign this statement and not release IT Support Staff and all of its associations from liability, no computer support, other than verbal assistance, will be offered to me.
