

SOUTHEAST'S SHOWTIME

S&E

GREEK WEEK
2022

Dear Greek Week Representatives,

We hope you are as excited as the Executive Team and Steering Committee is for this musical cast of Southeast's Showtime!

A little about why we do what we do. Greek Week is an opportunity to shed the stereotype that Greek Life is all too familiar with. It is about showing loyalty to others beyond our own chapters and having the personal courage to help those that are less fortunate. It is our duty as a Greek Community to come together to help those in need of our assistance. Sometimes we lose sight of this duty and forget those not given the same opportunities as we receive. This week shows different organizations and communities that we as Greeks have the ability to come together as one and be a part of something bigger; the opportunity to foster a change, to impact a group of people and become closer as a community along the way.

As we prepare for this week, we would like all of you to keep in mind the purpose of Greek Week. It's not about the points gained, or the trophies won, but the lasting impact left. We as a community have the unique ability to change how Greek Life is viewed. However, this perception can only be changed if we take the steps necessary, *together*. One chapter alone has the potential to make an impact, yes, but a community, brought together by common ideals has the potential to move mountains. This week is devoted to helping our community in a fun and enjoyable way, so please keep that in mind.

As always, sportsmanship says a lot about character, and we believe Greeks are the epitome of good character and strong values. This being said, we expect a high level of appreciation for all teams participating, the guidelines set out, and the overall approach of the week. If we all choose to approach this week with a servant's heart, and a positive mindset it can be enjoyable and rewarding to us all. In my eyes, even though there are placements and awards of achievements given out to individuals and chapters, the real winners are the lives that we have impacted by our good deeds.

Good luck!

Statement of Ethics

The Office of Greek Life, the Greek Week Executive Board, and Steering Committee realize activities such as Greek Week support the mission of Southeast Missouri State University and therefore play a vital role in a Greek's education. We further realize that these activities provide important life skills concerning teamwork, sportsmanship, and more importantly, giving back. Through friendly competition, Greeks learn about the impact they can potentially make on a community and how to steer away from the stereotypes we are all too often surrounded by.

Greek Week is a time where the Greek community comes together to create a difference in the Southeast community. Respect is a principle that all Greek members should show to one another. This principle *does not* disappear during Greek Week. Sportsmanship will be one of the main focuses for Greek Week Spirit. Our Executive Board and Steering Committee will be holding each chapter to the highest standard during Greek Week 2022.

Chants will only be judged **at set times** for pairings and will be based on creativity, incorporation of theme and unity of uniform. Every event will have spirit points for attendance included with additional points based off of criteria mentioned above.

Individual Breakdown:

Events

105 points

Greek Games Chant: 15 pts

Walk a Mile: 5 pts Participation

Seating Event: 15 pts Chant | 5 pts Spirit/Sportsmanship

Greek Sing: 15 pts Chant | 5 pts Spirit/Sportsmanship

Spirit Sticks: 30 possible pts (15 pts sorority, 15 pts fraternity)

Blood Drive: 15 points

Greek Games: Spirit will be awarded towards chapters that present a chant based off of their theme and pairings during the event. Spirit will also be awarded towards sportsmanship during the event.

Walk A Mile: Spirit will be based on attendance for each chapter, wearing purple, and posters.

Seating Event: Spirit will be based off of pairing participation in their theme, spirit involvement of pairings during the event, their chant (judged from rubric guidelines), and sportsmanship.

Greek Sing: Spirit points will be awarded by chants before the skit. Spirit will also be awarded for a pairings display of sportsmanship.

Spirit Stick: Greek Games, Greek Sing, and Mystery Event spirit stick will be awarded towards the pairings who exemplify the most theme incorporation, pairing unity, participation, and sportsmanship.

Blood Drive: Spirit points will be awarded by social media posts. 1 point per post, with the maximum being 15, while using the elected hashtag.

*** Spirit Judges will be taken from the SEMO community and will understand the importance of presenting a completely unbiased opinion towards each pairing.**

***Chants at Greek Games, Seating Event, and Greek Sing MUST be different from each other to receive full points.**

Where is the money going?

The money raised by each chapter will contribute to the monetary donation portion of Greek Week. The money will then go to your pairings' non-profit partner. The non-profit partners are:

One City
Hope for One More
Educare
SEMO Network Against Sexual Violence
Voices for Children/CASA
Community Caring Council
Dream Factory of SEMO

Funds from any group fundraising (i.e. Dance-A-Thon) events WILL count towards overall totals.

Chapters are encouraged to put on other events to reach the goal of \$5,000. The more money raised, the more the community benefits and the more points your Greek Week team can earn.

Points

Platinum: \$5,000+ per pairing	90 points
Gold: \$3,500+ per pairing	75 points
Silver: \$2,000+ per pairing	60 points
Bronze: \$1,000+ per pairing	45 points
Less than \$1,000 per pairing	0 points

*An extra 10 points will be awarded to the pairing that raises the most funds. This makes the highest amount of points to be earned total to 100 points.

All fundraising money will be to Liz Gaumer BEFORE THE START OF GREEK SING. All fundraising money must be given in the form of a written check. Any pairing that does not abide by this rule will not receive ANY points towards their fundraising goal and will be disqualified for the remainder of Greek Week.

ALL MEMBERS OF THE GREEK WEEK EXECUTIVE BOARD WILL BE WORKING ON THIS EVENT. CONTACT ANY MEMBER OF THE EXECUTIVE BOARD WITH QUESTIONS

Date: Wednesday March 9th
Location: Lower Parker Field
Time: 12:00pm-1:30pm

The goal for this event is to raise money for the Special Olympics of Missouri. The slide will start at the top of the hill (at Parker Field) and go down the large hill to Lower Parker Field towards the Towers Complex.

Participants will be required to fill out a waiver prior to going down the slip & slide. This will ensure that all participants are going to be safe and respectful during this event. All waivers will be filled out at the event on paper. This waiver states that the participant is liable for their own actions. Southeast Missouri State University and Greek Week Exec are not liable for any injuries that occur.

Donations will be accepted and counted for points. **Donations will be accepted in the form of venmo or cash. If Venmo, there must be the person's name and chapter pairing in the message.** There will be two different point opportunities for this event. The first will be based on the total percentage of your pairing that is present and signs in at the Greek Week Check-In table at the event. The second will be based on the pairings that have the most amount of money raised during the event. Only the top three pairings in each category will be awarded points. In the result of a tie, all pairing will receive points if in the top three.

Rules and Regulations

1. If a member is **MEDICALLY UNABLE** to give blood, they can volunteer for a shift at the blood drive to make up the points. Volunteer shifts should be given preference to people in chapters who medically cannot donate. Once all time slots have been covered, members are encouraged to find someone to give blood in their place to ensure our goal is made.
2. If a chapter member volunteers to work a shift at the blood drive **AND WORKS THE WHOLE SHIFT** they will receive 1 point. If the same person donates blood/finds someone to donate blood for them because they are medically unable, they will receive an additional point. If a chapter member has someone donating blood for them, that chapter member is required to be at the blood drive while that person is donating and check them out with Greek Week Exec and Steer-Co to earn points. Power Red rule applies throughout all donations. Keep in mind that volunteer shifts are supposed to be reserved for those who are **MEDICALLY UNABLE** to donate blood. If a chapter member is medically able to donate blood and does so successfully, they will receive 1 point. If there are still volunteer shifts available at that time, they are able to sign up for a volunteer shift for an additional point.
3. Points will be given to a member if they make it through **ALL** of the blood donation process. Members **MUST** get past the check-in portion of the process **and** give blood to receive points or they are encouraged to find someone else to donate blood for them. If a chapter member signs up to donate blood and is told no due to a restriction during the check-in process, no points will be given.
4. Members who plan to donate **MUST** be honest with their health. This means that if they are on antibiotics, have a cold, flu, traveled out of the country within the past 28 days (check with 1-800-RED-CROSS for eligibility), etc. are encouraged not to come and to find someone else to donate for them. Points will be deducted at the discretion of the Greek Week Exec and Steer Co if members are dishonest.
5. **Double Red Blood Cell donations will be worth 2 donors**
6. Members are **NOT** to solicit individuals **AT THE BLOOD DRIVE** to put your chapter or pairing name if they were not previously recruited to come to the blood drive.
7. Sportsmanship must be held, and respect must be given to the Red Cross staff, the Steering Committee, and the Greek Week Executive Board. Points will be withheld in the instance of unsportsmanlike conduct at the discretion of SteerCo.
8. Rosters for chapter and team membership will be pulled Monday **March 21st at 5:00 P.M.** Please ensure this roster is up to date.

9. All Volunteers are expected to arrive *10 minutes* before their shift slot time or points will be deducted.
10. Volunteer shift sign-ups must be filled and returned to segw.codirector@gmail.com
Monday March 21st by 11:55 P.M.

Since each pairing is now partnered with their own individual non-profit organization, pairings will be required to hold a service project/event involving their designated non-profit. These events are up to your pairing's discretion, but there are event standards that must be upheld. These events DO NOT have to involve raising money, and each pairing is highly encouraged to work closely with their non-profit to plan an event/project that highly impacts the organization in some way.

The service project/event is worth a possible 75 points, but there will be no placings. To earn the full points, all requirements must be met. Requirements include:

5. Signature of non-profit organization's contact person (15 points)
