Juniors/Seniors – Thursday, October 25th at 5:45 p.m. in Johnson Hall 221 (RSVP by October 19th)

Free pizza and soda will be provided to Mathematics majors! Dr. Daly will discuss opportunities that are available to students as they become more advanced in their major, graduation, graduate school, getting a job, and provide a forum to discuss any concerns or questions that students may have. We encourage all Mathematics majors to attend these events. Please RSVP to Lindsay Smoot at lsmoot@semo.edu. This is a great opportunity to meet and socialize with other Mathematics majors and get some free food!
