Dear High School Art Teacher,

The Art Faculty at Southeast Missouri State University is pleased to announce this year's 42nd ANNUAL HIGH SCHOOL ART EXHIBITION. As a major Missouri University, it has been our honor to receive and further educate fine students from your area schools. As always, we are impressed with the fine work you do! The creative work of your students is a testament to your ongoing high quality teaching. With your help, we would like to encourage your students to continue their art studies at the college level.

Each year we host our High School Art Exhibition to celebrate the visual arts at the High School level. The art works will be received, installed, and once again, exhibited in the Rosemary Berkel and Harry L.Crisp II Museum at the Southeast Missouri State University River Campus. The Exhibition is a huge success and well attended by many from around the area. Each exhibiting student receives the recognition they deserve for their creative endeavors, while their family, friends, and teachers celebrate and encourage their hard work.

This year we will present a \$1,000.00 scholarship to the student who receives the Best-In-Show Award at the Annual High School Art Exhibition if the student attends Southeast Missouri State University as an Art major next year.

To further award our incoming first year art students, we offer other scholarships available through the Art Department and the University. We strongly encourage them to apply to Southeast and to discuss scholarship opportunities with the financial aid office. Please encourage your students to apply to Southeast, so they may be in the running for scholarships.

Thank you for your participation and encouraging artistic expression in our region.

Sincerely,

Carol Horst
