

COUNTDOWN TO

college

Southeast Missouri State University

Classes Start August 24, 2020

It's hard to believe we only have a few months left before college begins for your Future Redhawk! Throughout the summer, we'll be sending them weekly emails with tips and tricks for preparing for the start of the semester.

As exciting (and possibly nerve-wracking) as this new chapter is for them, we know it's equally as exciting (and, again, probably nerve-wracking) for you. We want you to know that we're dedicated to easing some of those nerves as your family makes the transition. If you have any questions or concerns leading up to the start of the school year or in the months that follow, our New Student Programs team is here to help! Our contact info is listed at the bottom of this email. Feel free to reach out!

And now, on to the exciting stuff:

SEMO Background Downloadables

Show the world that you're the proud parent of a Future Redhawk! We've designed cover photos, desktop backgrounds, lock screen images, and more just for you! Are you an alum? We have [downloadables](#) for you, too.

Connect with Parents

Looking to connect with other Redhawk parents? There's a Facebook group dedicated to you! Sometimes you just need to talk with other parents going through the same exciting time in their students' lives.

Please note, the group is not moderated by Southeast Missouri State University. Questions and concerns will still be best addressed by contacting the University via phone, email, or office visit.
