

SOUTHEAST MISSOURI STATE UNIVERSITY · 1873

Believe it or not, your student has nearly completed eight weeks of their first semester at Southeast!

I am confident they have found campus to be a safe, welcoming environment to explore their passions and new possibilities. Since I am sure they are having too much fun to give you any updates, I have a few things to share as we approach the half-way point in the semester:

- Midterm grades will be posted to each student's portal on Tuesday, Oct. 20. I encourage you to communicate with your student about their academic progress. If you suspect your student is struggling in a course, please encourage them to speak with the professor or visit our Learning Assistance Programs office to inquire about [tutorial services](#).
- [Priority registration for the Spring 2016 semester will start in early November](#). Students are required to meet with an academic advisor prior to enrollment. Remind them to schedule their appointment soon!

Remember, there is a support system for every student here at Southeast, so they can triumph. Whatever they do here, they are not doing it alone.

Best,

[Katie Foshee](#)

Contracts for 2016-2017 University Housing are now available. Students who submit a housing contract by the end of December are considered participants in the early contract pool and will have priority in room selection. Remember, Southeast requires all full-time students to live on campus for two years, unless they meet an exempt requirement. Details on completing a contract, as well as the residency exemption can be found [online](#) or by contacting the Office of Residence Life at 573.651.2274 or residencelife@semo.edu.

YOUR STUDENT IS SMART, AND YOU KNOW IT.

There are yearly scholarship opportunities for Southeast students if they apply for the Endowed & Sponsored Scholarships. More than 700 different endowed awards provide our students with over 1.5 million dollars in financial support each year. The online application is now open for 2016-17. Make sure your student takes advantage of this opportunity and applies! For more information visit [online](#).
