

LET'S SEE WHAT YOU CAN DO.

REGIONAL CAMPUS SOUTHEAST A+ SCHOLARSHIP

The Southeast A+ Scholarship is a University-sponsored scholarship. The scholarship requirements and renewal criteria closely relate to those in place for the Missouri A+ Program. The Southeast A+ Scholarship will provide these educational incentives provided state funds continue to be appropriated by the legislature for the State of Missouri A+ Program.

Eligibility Criteria

Available to eligible graduates of A+ designated high schools who reside in Cape Girardeau, Bollinger, Butler, Dunklin, Mississippi, New Madrid, Pemiscot, Ripley, Scott, Stoddard or Wayne county and enroll as full-time, degree-seeking students at a Southeast regional campus in Kennett and/or Sikeston. A+ students in the Step-Up to Southeast admission program are eligible for the Southeast A+ Scholarship after they are enrolled full time.

Award is limited to a maximum of six semesters of eligibility, including summers, or up to 60 credit hours, whichever comes first, to be completed within four years from date of high school graduation. If utilizing the A+ Scholarship the summer semester immediately following high school graduation, the student must also be enrolled as a full-time student at a Southeast regional campus for the upcoming fall semester.

Enrolling in 300-level or higher courses, courses on the Cape Girardeau campus, online or at another college is not permitted. However, in the final semester of eligibility, students may enroll in upper level, online or Cape Girardeau campus courses in addition to lower level course work. Only the eligible fees for the lower level course work taken at a regional campus (Kennett or Sikeston) will be covered by the scholarship, provided all other criteria are met.

Value

The Southeast A+ Scholarship will pay 100 percent of tuition and technology/maintenance fees for 000-299 level courses (including developmental courses, if needed) that are not already covered by other awards specifically denoted to pay such fees (i.e. outside scholarships) or by a federal or state grant. The value of the Southeast A+ Scholarship is based on enrollment at the beginning of the second week of the semester (fall/spring). Step-Up students must be enrolled full time by the beginning of the sixth week of the fall semester to be considered for A+ for their initial fall semester.

Student is responsible for all other charges, including special course fees, repeated courses and textbooks.

To Apply

To be considered for the Southeast A+ Scholarship, apply for admission and indicate plans to attend a Southeast regional campus. Submit a final high school transcript with the A+ seal. Enroll full time at a Southeast regional campus.

In addition, students must complete the Free Application for Federal Student Aid (FAFSA) each year and submit all requested financial aid documents to Student Financial Services. If the student has not submitted the required financial aid documentation (including verification forms, if required) before the first payment due date, a payment will be required.

Scholarships

By participating in the Southeast A+ Scholarship program, the student relinquishes any other university-based merit scholarship and endowments intended for tuition and/or other fees. In some cases, it may be beneficial for a student to decline A+ funding in order to receive a combination of need-based and scholarship aid. Contact the scholarship coordinator in Student Financial Services to discuss your options.

Renewal

Continued eligibility for the Southeast A+ Scholarship is determined 12 months from your start date. Students must complete a minimum of 24 Southeast hours and have a cumulative GPA of 2.5 (excluding dual credit or early college credit courses).

Students who have lost eligibility may be reinstated if they enroll in subsequent terms and earn sufficient credit hours and/or the cumulative GPA to remove the deficits. To request reinstatement, students must write a letter to Student Financial Services.
