

PUBLIC TRANSIT

PUBLIC LISTENING SESSIONS

The Southeast Metropolitan Planning Organization (SEMPO) and SEMO Regional Planning Commission are updating the 2013 Public Transit Plan for the Cape Girardeau-Jackson urban area. To better help us understand the transportation needs of the public, we will be holding two public listening sessions in the area; one on Wednesday, November 29, 2017 and one on Friday, December 1, 2017. If you would like to share your thoughts and ideas about public transit services and needs in the area, please plan to attend one or both listening sessions. The meetings will be held at:

Osage Center

**1625 N. Kingshighway
Cape Girardeau, MO 63701
Wednesday, November 29, 2017
4:00 p.m.**

Jackson Civic Center

**381 E. Deerwood Dr.
Jackson, MO 63755
Friday, December 1, 2017

You can also provide feedback by participating in the public survey. The survey can be found online at
