Please indicate if the project includes:

Overload salary

Reassigned time

### Certifications

The Principal Investigator certifies that, to the best of her/his knowledge, the information contained in this form and the corresponding proposal is accurate and complete. If an award is made, s/he is responsible for compliance with award terms and university policies and procedures, including the technical conduct of the work, submission of technical reports, regulatory compliance, and financial management. The PI also certifies that:

1. The proposal and other corresponding information do not contain any false, fictitious, or fraudulent statements or claims. Making such statements or claims may result in criminal, civil, or administrative penalties.
2. S/he has not engaged in lobbying activities (activities to influence legislation) on behalf of this or any other application.
3. S/he is neither debarred nor suspended, proposed for debarment, declared ineligible, or excluded from current transactions by any federal department or agency.
4. S/he is not delinquent in federal debt, such as taxes, student loans, etc.
5. S/he, her/his spouse, domestic partner or dependent children have no significant financial interests related to this proposal. If there is a significant financial interest, the investigator will submit a disclosure to the Office of Research and Grant Development prior to submission of the proposal.

PI Signature (Required): \_\_\_\_\_ Date: \_\_\_\_\_
