

Live Expert Training: Session Details

Who can attend?

Any teacher or instructor who is interested in learning how to use Turnitin.

Dates: Every Tuesday, Wednesday, Thursday

Time: Varies (45 minute session)

Location: These sessions are all web-based.

Session Info:

During each session, we'll demonstrate how to join a Turnitin institutional account, create a profile, and navigate the instructor homepage. We'll move into creating classes and assignments, enrolling students, submitting papers, and learn how to manage assignments and students in your classes. Delving deeper, we'll show you how to navigate and interpret originality reports and show you how to add comments, provide feedback, and use rubrics to grade papers.

How do I attend?

Simply use the following link to join a session. There's no need to pre-register. Once you click on the session link below, a calendar with session times will appear. Attendees are welcome to attend as often as they wish (during the course of the academic year).
