

STUDY PARTICIPATION CONSENT FORM

My name is (your name) and I am a (student/graduate student/faculty member) at Southeast Missouri State University (working under the supervision of (faculty member) if applicable). I am conducting a study designed to answer questions about (describe study). You will be asked to participate in (number of interviews/surveys). The (interview/study) should take no more than (time in minutes or hours) to complete.

This research project was designed by the research team solely for research purposes. (Describe confidentiality procedure. *Example:* No one except the researchers will have access to any of your responses. None of the other interviewees will see any other person's responses. All responses will be kept confidential to the extent provided by law.) (Describe nature of participation and any risks and benefits associated with participating. *Example:* Your participation in this project is voluntary. You do not have to answer any question(s) that you do not wish to answer. Please be advised that you may choose not to participate in this research, and you may withdraw at any time without consequence. There is no penalty for non-participation. There are no anticipated risks associated with participation. There are no direct benefits to you for participating in this study.)

If you have any questions or comments about this research, please contact (your name) at (your phone number and/or email) or (faculty member) at (faculty member phone number and/or email).

For face-to-face studies:

Please sign below to indicate that you have read the procedure described above, and that you voluntarily agree to participate in the procedure.
