

RESOLUTION FOR

Cheri Fuemmeler

WHEREAS, Cheri Fuemmeler has retired after forty-three years in education, having served in three school districts and the Southeast Regional Professional Development Center for over ten years; and

WHEREAS, she served public education in the roles of teacher, counselor, director of special services, principal, superintendent and director of the Regional Professional Development Center; and

WHEREAS, she received the Outstanding Emeritus Educators' Award; and

WHEREAS, she received her Bachelor of Science, Master in Art and Specialist degrees from Southeast Missouri State University; and

WHEREAS, Cheri was the first female superintendent in southeast Missouri; and

WHEREAS, she remained calm and confident no matter what kind of financial waters we might have been sailing, and she never lost sight of the fact that the Regional Professional Development Center mission is to increase positive outcomes in students; and

WHEREAS, Cheri has been blessed to have had the opportunity to work with many dedicated educators, in both southeast Missouri and state wide, all striving to enhance learning for all children;

NOW, THEREFORE, LET IT BE RESOLVED that the Board of Regents expresses its appreciation and congratulations on behalf of the University and its students, faculty, staff, and administration on this second day of May, Two Thousand Fourteen.
