

## RESOLUTION FOR

*F. Lynn McLain*

**WHEREAS**, Lynn McLain has served Southeast Missouri State University since 2002; and

**WHEREAS**, she has served as the Director of Testing Services since 2006 and was responsible for the oversight of test administration for the entire campus and surrounding community; and

**WHEREAS**, Lynn expanded testing services to regional campuses, numerous high schools and other sites in the area; and

**WHEREAS**, she was a tireless advocate for securing adequate support and technology for Testing Services, overseeing migration of nearly all testing from paper and pencil to computer based; and

**WHEREAS**, she served as the public face of the University to the members of the community requiring testing services, greatly expanding the availability of testing for certifications, education, job placement, and others; and

**WHEREAS**, she successfully faced budget shortfalls, scheduling challenges, and increasing demands over the years, ensuring testing was always provided when and where needed; and

**WHEREAS**, she persisted in securing the necessary changes for her facility to become ADA-compliant; and

**WHEREAS**, she had the good sense to retire just before the new state guidelines for training teachers come into effect;

**NOW, THEREFORE, LET IT BE RESOLVED** that the Board of Regents expresses its appreciation and congratulations on behalf of the University and its students, faculty, staff, and administration on this second day of May, Two Thousand Fourteen.
